Swimming pool opens Saturday

By Karen Krien

School is out and kids are ready to head for the swimming pool. The pool will open tentatively at 1:30 p.m. on Saturday, May 28. The swimming pool is open seven days a week with evening hours on four of the days.

Pool hours throughout the week are 1:30 to 5:30 p.m. On Sunday, Monday, Wednesday and Friday, the pool will be open in the evening from 7 to 9 p.m. Lap swimming will be held from 6:30 to 7:30 a.m. Monday through Friday.

Mikaela Grace, manager, said the midnight swims is enjoyed by many of the kids. The midnight swims are for those 14 years of age and older and are held from 10 p.m. until midnight.

Private parties are held on Saturday nights. Call the pool 332-3410 for more information.

Parents are reminded that those children under 5 years of age are admitted free but, they should be accompanied by a person who is 14 or older.

Season passes may be purchased. Several years ago, the punch cards were introduced. Punch cards can be purchased. Lifeguards

Lifeguards have been hired and they all have experience, Bruce Swihart, city council/board member, said. They will be Brett

Lampe, Logan Whitmore, Christina Hilt, Shayla Hilt, Christina Schoenrogge, Matt Whitmore, Aly Marin and Jennifer Henderson Fritz. Jennifer is also the water safety instructor.

Closings

Lightning creates a dangerous situation for swimmers and guards so parents can expect the pool to be closed when lightning or storms are predicted. Parents need to realize that the pool will close and make sure their children get home from the pool.

Aquacise

Aquacise will start Wednesday, June 1. It will be held 5:45 to 6:30 p.m. and 9:15 to 10 p.m. Mondays, Wednesdays and Fridays.

Aquacise is one of the few fitness routines that can be undertaken by anyone, regardless of height, weight and build, size, gender, race or age.

People can exercise every muscle and join in the body in one workout. It tones the body and provides a great cardiovascular workout.

The aquacise class must have 10 people enrolled before the class is held. For more information, call the pool. Those participating in the class can either pay for the entire season or pay when ever they attend.

Rural health meeting is today

The next Rural Health Works meeting and luncheon will be held at 11:40 a.m. on Thursday at Riverside Recreation. Lunch will be served and the meeting, which will last only an hour, will follow.

This meeting, conducted by Dr. John Leatherman, will find those attending looking at questions to ask during the survey calls which will begin from 6 to 9 p.m. on Tuesday, May 31.

The survey is being made by Fort Hays State University Docking Institute. There will be random calls made in the county until there are 200 responses.

Mr. Leatherman said he hoped there would be a good representation of the different areas in the county along with a variety of ages and gender.

The caller will start out by telling the person answering the phone that they are from Fort Hays State University, then explaining the reason for the call. People, Dr. Leatherman said, are asked not to hang up on these callers. Their responses are important to getting information for the survey.

The results of the survey will help identify the community's health and eldercare needs.
