Swimmers attend Atwood meet

The Sharks were in action at the new pool in Atwood on Saturday, June 11. Six teams were present and the heats were full, sometimes there were four or five heats of each event.

Teams present were from Imperial, St. Francis, Atwood, Cheylin and Benkelman.

"It was a great day for a meet," Coach Margaret Poling said. "Not too warm, not too cold."

"We had some outstanding swimmers, Lauren Johnson was outstanding in her events and placed three individual first places. She has been working real hard and it really shows.

"Our other outstanding swimmer was Adam Krien. He did a wonderful butterfly and won the event as well as another first and a second place.

"All the swimmers showed improvement across the board."

The swimmers have two more regular meets and then a fun meet.

To be able to go on, each swimmer must swim in three meets prior to the meet in Lexington, said Coach Poling. We still have time to get kids in if they participate in the next three meets. The team will be going back to Atwood for the next meet because Cheylin is unable to host their own meet.

"The parents are busy trying to prepare for the Fourth of July Triathlon that the Sharks will be hosting," Coach Poling said.

The team will be leaving for the meet at 7:30 a.m. on Saturday, June 18.

"Come support the swimmers as they try to top their times," Coach Poling said.
