

TENTS IN THE PARK marks that the Relay for Life cancer walk is getting ready to begin. Children were busy entertaining themselves by playing and trying to fly kites.

# Cancer relay walk held Friday

Herald staff photos by Lezlie McCormick

RELAY FOR LIFE walk was held Friday in Sawhill Park, St. Francis. It was hot and the number of participants were down some but those participating were enthusiastic. Top left, Dana Rose and Toni Keller help get the theme baskets ready for the auction. Money raised from the auction went to the relay fund. Clockwise, Rex and Sandi Murray make their walk around the park; chairman, Pat Rose, welcomed everyone to the relay. Marvin Zimbelman waited to say the prayer; Tammy Grice had help with the luminarias. While the total is not yet figured, the committee expected the dollar amount to be up.
