

# Junior varsity suffers loss

By Nathan Fiala

## County

The junior varsity Lady Indians had a triangular at Weskan on Tuesday, losing to Weskan 25-20, 16-25, 11-15 and Granada 24-26 and 20-25.

The young Lady Indians struggled to receive serves at times and this led both of our opponents to score sequences of points, Coach Jeff Olofson said. When we would finally get the ball, we did not capitalize on the opportunity.

Our focus is still on trying to generate consistent play throughout a match and we will work on this to the last day of the season, Coach Olofson said.

## Chase County/Dundy

The Lady Indians JV squad also faced off against Chase County and Dundy County on Thursday.

The young Lady Indians ran into an excellent team in the Longhorns, Coach Jeff Olofson said. In the second set we missed three out of seven serves and they missed one. It is very hard to win a match when we serve this poorly.

Against Chase County, Sainty lost 14-25 and 7-25.

The Dundy County match was more competitive, Coach Olofson said. Both teams played a similar style of volleyball and when we kept our serve, we stayed in the match. In the third set we went

through a very difficult stretch on serve receive and they were able to build a large lead. We chipped away at the lead but it was too little too late.

Sainty lost against Dundy County 22-25, 25-18, 15-25.

## C-Team action

The C-Team Lady Indians matched up against Dundy County on Thursday, winning 25-11 and 25-8.

The C team had a very good match, Coach Jeff Olofson said. We served extremely well. This kept Dundy County on the defensive and when the ball did come back over it was usually a free ball. The young ladies never let their guard down and played consistently throughout the match.

# Junior high ladies play Oakley

The junior high Lady Indians traveled to Oakley on Thursday. The A-Team won with set scores of 12-25, 25-23, 15-8; while the B-Team lost their match, with scores of 15-25, 25-21, 5-15.

The A team started out slow in the first set, made it too close in the second set and then took control in the third set to win the match, Coach Tina Elliot said. The B team girls had a tough loss, having a hard time moving to the ball and talking. I think we really are starting to realize that serves can make or break the game of Volleyball, especially in Jr. High.

For the A-Team, Kayla Reed had eight good serves, Kattie Jenik had seven, Sydney Sundstrom had six, both McKenzie Taylor and Journey Lee had five, Kylie Sherlock had four, Alexis Frink had three and CarolEve Harris had one.

B-Team player Sophie White led the team with nine good serves, followed by MaKayla Rogers with eight, Hannah Stafford had seven, Danielle Frink and Katie Schmid both had four and Emily Elfers had two.

We just need to focus on continuing to grow and get better as the season moves forward, Coach Elliot said.

## Oakley Tournament

The Lady Indians participated in the Oakley Tournament on Saturday. The A-Team won out against Quinter, Oakley and Rawlins County but lost to Colby.

The B-Team did just as well over all, winning against Quinter, Colby and Rawlins County but losing to Oakley.

This was a good day for us to get a lot of playing time and give us more experience, Coach Tina Elliot said. Both teams played at the same time, so Talley Morrow filled in and coached the B team.

In the A-Team match with Quinter, Kayla Reed had 13 good serves, Sydney Sundstrom had eight, Journey Lee had seven, Kylie Sherlock had six, Hannah Stafford had five, McKenzie Taylor had four and Emily Elfers had two. The set scores were 25-19 and 26-24, Sainty winning the match.

Against Quinter, the B-Team girls stats were: MaKayla Rogers with 19 good serves, Sophie White with ten, Alexis Frink and Jenna Confer each had seven good serves, CarolEve Harris had six, Katie Schmid had four and Danielle Frink had three. Sainty won the match with set scores of 28-26, 24-26, 15-8.

In the face off against Oakley, the A-Team's stats were: Sydney Sundstrom with 11 good serves, Kayla Reed had ten, Journey Lee had six, McKenzie Taylor had five and Kylie Sherlock, Hannah Stafford and Emily Elfers all had three good serves. They won the match with sets of 22-25, 25-19 and 17-15.

Versus Oakley, the B-Team put up stats of: MaKayla Rogers and Danielle Frink with six good serves, Alexis Frink had five, Katie

Schmid had four, CarolEve Harris had three, Jenna Confer had two and Sophie White had one. They lost the match with sets of 19-25 and 16-25.

McKenzie Taylor led serving against Colby on the A-Team squad with seven good serves, Hannah Stafford had four, Sydney Sundstrom and Kylie Sherlock both had three and Kayla Reed, Emily Elfers and Journey Lee all had two. They lost the match 11-25 and 23-25.

For the B-Team, Katie Schmid had 17 good serves, Alexis Frink had 11, MaKayla Rogers had eight, Jenna Confer and CarolEve Harris both had three and Danielle Frink had one. They won the match against Colby 25-19 and 25-11.

The A-Team won against Rawlins County, posting stats of: Sydney Sundstrom with 19 good serves, McKenzie Taylor with 13, Journey Lee and Kayla Reed both with eight, Hannah Stafford with six and Kylie Sherlock with two. Set scores were 24-26, 25-15, 16-6.

On the B-Team, both CarolEve Harris and Alexis Frink had 11 good serves, MaKayla Rogers had eight, Jenna Confer had seven, Danielle Frink had three, Katie Schmid had two and Sophie White had one. They won the match against Rawlins County 25-13 and 25-16.

I'm proud of the girls and we have a winning season at this point and we hope to continue the wins, Coach Elliot said.

# Indians lose to Oberlin Red Devils

By Nathan Fiala  
nfiala@nwkansan.com

The Sainty Indians junior high football team traveled to Oberlin last Thursday, losing out to the Red Devils 26-8.

This game was another tough battle, Coach Kyle Buffington said. The score was not really a good picture of how the game

went. Oberlin struggled somewhat running against us. They went to the air to beat us. They had three pass plays that went for some big yards.

Travis Rogers scored on a 38 yard run for the Indians and Garrett Brunk ran in the two-point conversion in the first quarter.

We as a team need to learn how to pick up blocks and hold those blocks

longer, Coach Buffington said. The potential is there to really be great and we just haven't learned yet on how to block someone play after play to put together a long drive.

"This group of young men are hard workers and are certainly competitive enough to learn the little things needed to become good football players," Buffington said.
