League tourney held in Oberlin

By Nathan Fiala
nfiala@nwkanssas.com

The Lady Indians competed in the Northwest Kansas League Volleyball Tournament in Oberlin on Saturday. Six schools (St. Francis, Decatur County, Quinter, Hoxie, Oakley and Rawlins County) competed in pool play style in two different gyms. St. Francis lost to Decatur County (25-8, 25-22), Quinter (25-17, 25-21) and Rawlins County (25-14, 27-25), coming in sixth in the tournament.

Against Decatur County, Christina Schoenrogge led serves with eight, Laura Brunk had seven, Kaitlin Figgins, Justice Wiley and Lexi Hilt all had three, Clarice Neitzel had two and Aly Schlepp had one.

We didn't quite come out ready to fight in the first set, but we made our presence known in the second, Coach Talley Morrow said. Our serving and receiving have improved so much since the beginning of the season.

Against Quinter, Brunk and Schoenrogge both had eight serves, Neitzel had seven, Figgins had four, Hilt had three and Wiley had two.

Again we didn't play too badly, but on occasion, we would miss our defensive cover and the opponent would find our seams, Coach Morrow said. Our serving didn't make goal and neither did our receiving, but we hung in there and scored more in the second set than in the first, which shows that we didn't give up and worked hard for every point that we did earn.

In the final match against Rawlins County, Brunk had 11 serves, Neitzel, Figgins and Wiley each had seven, Schoenrogge had three and Hilt had one.

We served well and received well, but we didn't attack the ball nearly as much as we needed to,

Coach Morrow said.

Overall, the girls are still working hard, Coach Morrow said. My expectations are for them to play fearlessly and with

no regrets every time they get on the court, and that's the tradition we'd like to establish in the Lady Indian program.

The Lady Indians will next travel to Stockton to compete in the Substate tournament on Saturday.

Football team travels to Ellis on Friday and suffers loss

By Nathan Fiala
nfiala@nwkanssas.com

The Sainty football team traveled to Ellis on Friday night, losing to the Railroaders 42 - 8.

Big plays and undisciplined play continue to haunt our team, Coach Nathan Smith said. I have got to figure out a way to have our young men play more consistently throughout a game.

Ellis scored once in the first quarter, three times in the second, once in the third and once in the fourth with Sainty scoring a touchdown and two-point conversion in the fourth.

Thomas Douthit led the team with 108 rushing yards, Ty Zwegardt had 39, Dylan Wolaver had 35 and Michael Leibbrandt had 24.

There are times we show a lot of good things, but the next play we mess up basic assignments, Coach Smith said. Ellis is another team that has put in the extra time in the summer it takes to be successful on a Friday night and it shows in how athletic their skill position players were.

Sainty's next game will be against the Wichita County (Leoti) Indians on Greene Field at 7 p.m. on Friday.

Wichita County, like Ellis, has some explosive athletes at the skill positions, Coach Smith said. They like to throw the ball around a little bit and that is something that has caused us problems. Their defense runs to the ball well so it will be important that we know what our blocking assignments are and we can hold those blocks long enough for our backs to execute the offense.
