To all my customers and friends that were left in the lurch, I apologize, but never planned on a quick flight to Denver last week. Thank you for the awesome professionalism and compassion shown to me and my family during the last couple of weeks in and out of the ER and when it came down to bare necessities, for the quick work of Dr. Miller, the hospital, EMS, and the incoming flight crew to get me to Denver. Hopefully, the first of next week things will be back to normal again. Glenda, Gaylord, and Dustin Krien
