Cosmetologist joins staff at shop

Joni Pevler has joined the ladies at Girlfriends and Guys Too, a beauty shop located at 213 Webster, St. Francis. She started on Feb. 3.

Joni will be doing everything at the shop – from cuts, to facials, to nails including acrylics, to perms and color.

I went into cosmetology because, she said, it has so many different things to offer and I'm not doing the same thing every day.

“Cosmetology is something I've

always been interested in,” she said. “So after I received my associate's degree, I felt like cosmetology was the right path for me.

She attended Xenon International Academy in Grand Island, Neb., and is back and already lining up customers.

She has started with Fridays but will add more days as more

services are added. Those wishing to make an appointment with Joni can call the shop, 332-3393. If she isn't in, Denise Andrist, owner, or Kelsey Andrist will schedule the appointment.

A 2009 graduate of St. Francis Community High School, Joni said she is excited to be back in St. Francis!

*** Thank you * Thank you ***

Thank you to all the special people that helped make the star lab a huge success! For all of you that helped put it on (for checking everyone in, the chocolate fountain, art projects and star gazing) thank you so much. A big thank you to all the PTA parents for donating baked goods for the moon walk. Also, thank you to the freshman class for the sloppy Joe meal. The biggest thank you of all goes to Charlene Fiedler for taking the time to put this together for all of our kids — they absolutely loved it! Of course, thank you to everyone who came out to support this event!
