Boys suffer tough loss

By Nathan Fiala nfiala@nwkansas.com

It was a tough loss for the Indians on their home court Friday night. The Greeley County Jackrabbits earned a 10 point lead early on in the game, and while Sainty battled back and even took the lead briefly, the final score was 60-58 for the Jackrabbits.

"Once again we find ourselves coming up just short against a pretty good team in Tribune," Coach Jeff Beims said. "In retrospect, it just goes to show you how minuscule the difference is between winning and losing. As a coach, you look at things like missed lay-ups in the second quarter, or an offensive rebound and put back what we allowed early in the game. At the end of the night, you add up the points and the team with most wins. Right now it seems we are either allowing our opponent too many, or not scoring enough ourselves. The good news is that we are playing pretty well even though we aren't winning these games and I think that will pay off at tournament time. Barring some unforeseen disaster, we should host a first round substate game Monday, and we will need a loud crowd to help us move along.

Stats for Sainty were Isaac Schiltz with 23 points and three rebounds, Dylan Peter had 15 points and seven rebounds, Cade Bracelin got nine points and seven points and two rebounds, Jonathan Butler got two points and five rebounds, Steven Nelson got three rebounds and Kyler Zweygardt got two rebounds.
