Why are we revealing our new world-class surgery department before the grand opening?

Our Phase 2 construction grand opening is Sunday, July 1, but you deserve a preview of how the new surgery department is enhancing our patient-centered care!

We've equipped our experienced surgical staff with such "wow"-inspiring technologies as:

- Advanced cameras
- High-definition monitors
- Special lighting
- Computer-assisted integration

With new private consultation, pre-op and post-op rooms, we've significantly changed the landscape of healing.

Grand opening details will be posted soon! Tour our new surgery department, healing garden, community room, and more!
