Weekly support groups are available for women and children within the northwest Kansas area. For information or in need of assistance, please call the toll-free number 1-800-794-4624.

## Fall hazardous waste roundup is Sept. 29

The fall household hazardous waste fall cleanup for Cheyenne and Rawlins County will be held Saturday, Sept. 29. In Cheyenne County, the cleanup will be held from 1 to 3 p.m. at the landfill east of Wheeler. Rawlins County collection will be held from 8 to 11 a.m. at the Rawlins County landfill.

At the cleanup, each county

will accept old paint, herbicides and pesticides, batteries, used oil and anti freeze.

This is part of the ongoing program of each of the above counties to provide a means of proper disposal of hazardous substances commonly found in the home.

Those having questions should contact the landfill at 875-332-8842.

## Citywide fall cleanup planned

The city of St. Francis is having a fall cleanup.

Those residents having items to be picked up during the cleanup need to call the power plant at 332-3031 between 7:30 a.m. to noon and 1 p.m. to 4:30 p.m., Monday through Friday, before the Oct. 12 deadline. Those calling should not leave cleanup requests on the answering machine as they will not be picked up. Instead, talk to the dispatcher. Requests can be called in Monday through Friday.

This service is free. Anyone calling after the deadline of Oct. 12 will need to wait until next fall's cleanup and will need to call again before the next cleanup.

All items will need to be ready for pickup no later than 8 a.m. on Thursday, Oct. 18.

### Necessary to call

Without a call the city crew can not pick up items, even if they are beside the trash container. Items to be hauled away must be accessible - next to the alley or street and not behind fences, bushes, utility meters or poles.

Mixed piles can not be picked up. Sort items in separate piles of metal, tires, concrete, furniture and lumber too large to go into trash containers and tree branches.

The sorting of materials is necessary because one of the goals of the cleanup is to decrease the rate the solid waste pit fills up and to recycle as much as possible.

The city is no longer able to pick up chemicals, paint, batteries, yard waste or any petroleum products.

City cleanup is for household cleanup for residents only. Contractors or citizens who have done construction, demolition, remodeling or renovation are expected to haul materials to the landfill. The city reserves the right to refuse to pick up on site.

The cleanup will require several days to complete, please be patient.

The St. Francis City Council encourages citizens to take this opportunity to make the city an even more beautiful place to live.

## Financial education workshop offered

"Your Retirement Income: Optimize It. Protect It. Enjoy It."

This is the title of a financial education workshop offered through the Northwest Kansas Chapter of Thrivent Financial.

It will held from 2 to 3 p.m. on Saturday, Sept. 29, at Immanuel Lutheran Church, 206 East 7th, Oakley. A social time for Thrivent members and guests will be from 1 to 2 p.m. The members openly invite anyone interested to join them for both the social time and the workshop. There is no registration fee. Refreshments will be served.

The purpose of the workshop is to help participants learn about guaranteed income options to last their lifetime and to plan a strategy for both the near-term and long-term.

Thrivent Financial Representative Liz Winckler will lead the workshop for the primary purpose of education and not solicitation.

For information, contact Wilma Mai (785-852-4455 or Wilma@maifarms.com) or Lucille Rossbach (785-332-8903 or rossbach@breadnet.middlebury.edu).
