will be Dec. 15 & 16
Be Sure to have your lights on!!**

The best care for your clothes* starts here

INDUSTRY'S
LARGEST
CAPACITY
TOP LOAD PAIR**

The Clean Care cycle in the new Cabrio™ Platinum washer beautifully blends cold water cleaning with additive wash actions to help remove stains and protect your clothes from color fading and bleeding. Advanced Moisture Sensing™ in the dryer automatically keeps heat constant to help prevent over-drying and shrinking. After all, a laundry pair should have the same passion for clothes that you do.

Designed to Simplify **Whirlpool**

Visit us today to purchase these and other great appliances

*Always heating up hot loads based on clothing, garments and efficiency in the water. Modelled by the Clean Care cycle and some 100% temperatures in the dryer enabled by Advanced Moisture Sensing. **Always heating up loads based on combined washer and dryer lot. © 2012 Whirlpool
