Storm spotters meeting planned for March 15

This year's Storm Spotter class in St. Francis will be held on Friday, March 15. The class starts at 6:30 p.m. in the high school cafeteria.

The class is free of charge and open to anyone with an interest in High Plains weather. This program is conducted only once a year by National Weather Service meteorologists

so consider attending this fun and educational training in St. Francis. The class will discuss Wireless Emergency Alerts, new Impact-Based Warnings, thunderstorm organization and evolution, associated clouds and their meaning, thunderstorm hazards, safety, and what and how to report.

For more information, contact

the Goodland National Weather Service at (785) 899-7119. A complete listing of the 2013 Spotter Training Schedule across the tri-state area is available on the web page: <http://weather.gov/goodland>.

The class is brought to St. Francis by the National Weather Service and the Cheyenne County Emergency Management.

Our dedicated CRNAs offer advanced pain management!

Pictured: Chad Miller, CRNA (left), and Brian Smith, CRNA

Certified registered nurse anesthetists (CRNAs) are critical members of our surgical, emergency, and pain management teams. CRNAs provide trauma stabilization, and obstetrical and surgical services, including:

- General surgical anesthesia
- Monitored sedation for minor procedures
- Spinal blocks and epidurals for surgeries or to ease the labor pains of new moms
- Pain management injections for chronic or acute pain of back or neck
- Nerve blocks for post surgical pain management

Our dedicated CRNAs are further proof that Community Hospital makes sure advanced care is always there!

Advanced care. Always there.
