

Easter Bunny hops into St. Francis

There were several Easter Egg Hunts held in St. Francis. Each year, there is a hunt sponsored by Ross Manufacturing, Milliken Law Office and Kenny Bracelin Farm which is held in the St. Francis grade school gym. The first graders also enjoyed the nice weather and an egg hunt in the park on Thursday. Above, left, Neale and Logan Morrison, grandchildren of Paul and Nancy (Miller) Morrison were all dressed up for the Easter Bunny. Clockwise, Kinslee Workman had on her new Easter dress; Mika Killingsworth posed with the big bunny; Colton Raile was busy picking up eggs at the park; and Myron Miller and Michael Bala were looking at what was in their eggs.
