FEMALE LIPITOR PATIENTS

There is evidence that women are much more likely to develop diabetes after taking Lipitor for any period of time. This evidence also suggests that once you have diabetes caused by Lipitor, it is permanent.

If you or a female loved one has developed diabetes after taking Lipitor, please call us today for a free consultation. We would like to evaluate your claim. **The choice of a lawyer is an important decision and should not be based solely upon advertisements.** That is why I would like you to call me.
