## Student receives excellence award

Recently at Studio 96 in Sterling, the Sterling College Athletic Department announced the 2012 Warrior of Excellence award winners. Adam Guthmiller, a junior at the college, was one of 82 football scholarship athletes named 2012 Kansas Collegiate Athletic Conference winners.

The award, which is given to one member of each Sterling team, represents excellence by a student-athlete in academic performance and servant leadership.

All 10 conference institutions are represented. Sterling College led the way with 18 student-athletes recognized. The group consisted of 30 seniors, 30 juniors, and 22 sophomores. Forty-eight athletes are from Kansas, 11 from California, and eight from Texas.

Adam is hard working and very talented, both in the classroom and on the football field, said Andy Lambert, head football coach at

the college. But, he said, I think what makes him special are these two things: 1) his ability to relate to all kinds of people. He just has a natural tendency to be kind and thoughtful and encouraging and 2) his willingness to serve.

He is a true "Servant Warrior" with all his strength and gifting and talent, he is the first one to volunteer and help someone else out.

"Those things make for a special football player and more importantly a special person," Coach Lambert said.

Student-athletes must have sophomore standing at the start of the sport season, maintain a minimum grade point average of 3.33 on a 4.0 scale, and letter in their sport.

Adam's parents, John and Kristi Guthmiller, St. Francis, attended the banquet.

## Board accepts bid on metal covering

By Karen Krien

karen.k@nwkansas.com

The Cheyenne County Fair Board met at the fairgrounds on Thursday evening for a special meeting concerning the metal

roof covering over the show arena south of the livestock barn. At the end of the meeting, the board agreed to accept the bid of Krien Steel Buildings.

President Dick Bursch had three bids for a structure 60 by 110 feet. Bids were: Majestic Service, St. Francis, \$42,715 but didn't include the concrete which was an additional \$10,236, pushing the bid to 52,951; Malsom, Goodland, \$59,000; Krien Steel Buildings, \$46,629 and the bid included the cement.

Ron Krien and Wade Krien were present at the meeting. Ron said for another \$3,200, he could add another 6 feet, making the building 60 by 116 feet. His bid did not include the rain gutter. To put gutter on both the east and west sides of the roof, it would cost \$1,400

Wheeler Equity had offered to loan the fair board up to \$45,000 to erect the structure and the board

would pay the Equity back in 10 years with 1-percent interest. With Krien's low bid, the board would need to come up with \$1,429 for the 60 by 110 foot building.

The board then discussed adding the extra length to the building, \$3,200, and adding guttering to the east side of the roof which was one-half the \$1,400 or \$750. The total cost of the structure would be \$50,379.

The board voted to accept Krien's bid of \$50,379. The additional money, \$5,379, over the \$45,000 loan, will be taken out of the board account. The first payment will be due on Sept. 1.

It was noted that an electrical pole on the south side of the livestock building will need to be removed. There is also a tree to remove which will be in the way of the building on the south side of the arena.

The materials would be ordered the following day. Krien said the company had assured him that the materials would be in St. Francis in time for construction before the fair began.

## Helpful Hints

### Reopening envelope

If you seal an envelope and then realize you forgot to include something inside, just place your sealed envelope in the freezer for an hour or two. Voila! It unseals easily.

### Conditioner

Use your hair conditioner to shave your legs. It's a lot cheaper than shaving cream and leaves your legs really smooth. It's also a great way to use up the conditioner you bought but didn't like when you tried it in your hair.

### Good-bye Fruit Flies

To get rid of pesky fruit flies, take a small glass fill it 1/2 inch with Apple Cider Vinegar and 2 drops of dishwashing liquid, mix well. You will find those flies drawn to the cup and gone forever!

### Get Rid of Ants

Put small piles of cornmeal where you see ants. They eat it, take it "home," and can't digest it so it kills them. It may take a week or so, esp. if it rains, but it works & you don't have the worry about pets or small children being

harmful!

**Take baby powder to the beach**  
Keep a small bottle of baby powder in your beach bag. When you're ready to leave the beach sprinkle yourself and kids with the powder and the sand will slide right off your skin.

## Thank You

Thank you so very much to the Cheyenne County EMTs, hospital staff and whoever had a hand with helping me after my 4-wheeler accident. A special thanks to Noel for his quick actions. To Randall, Ann, Andrew, Taylor, Brent, Ronee and Abby for helping out wherever needed. Thank you Noel for taking Jacob to the hospital to see me before flying out. Our small community of medical personnel and friends are way above and beyond a city medical center. Dale Rath
