

# Sainty relay team places first

By Kent Kechter

The Kansas State High School Activities Association held the 2013 State Track and Field Meet on Friday and Saturday, May 24 and 25, at Cessna Stadium on the Wichita State University campus.

St. Francis athletes turned in several outstanding performances at the meet. The Indian 4 X 100 meter relay won the state track meet championship. The Indians recorded the best 1A qualifying time (44.37) in the preliminaries and then ran 44.39 in the finals to best the field of 1A teams. The 4 X 100 meter relay team consisted of juniors Logan Lampe and Derek Queen, and seniors, Thomas Douthit and Michael Leibbrandt.

Junior Mason Schiltz placed second in the pole vault by clearing a season best of 13' 0". Mason very nearly cleared 13' 6" on two of his three attempts, just barely touching the bar on the way down.

Sophomore Dallas Reed was the only Lady Indian competitor that qualified for the state. Dallas placed second in the girls' pole vault with a height of 9'.

Senior Zach Gienger earned a 6th place finish in the boys discus with a toss of 141' 1".

The Indians 4 X 400 meter relay team consisting of juniors Derek Queen and Logan Lampe, and seniors Michael Leibbrandt and Steven Nelson ran 3:39.27 to place seventh. The team had an even better qualifying time of 3:32.35 in the prelims.

Steven Nelson competed in the hurdle events. He ran 17.25 in the 100-meter hurdle preliminaries but did not qualify for the finals. Steven was timed at 44.08 in the 300 meter hurdle prelims, a time not fast enough to qualify for the finals.

The Indian boys placed 9th as a team in the State Track Meet by scoring 23 points. LaCrosse ran away with the boys team title with 87 team points.

The Lady Indians placed 30th in the team standings with 8 points. Norwich won the girls team championship.

Congratulations to all the track athletes and coaches on a fine season!

The Kansas State Track Meet is the largest high school track and field meet in the nation with all classes of schools, 1A - 6A, competing in the meet over two days.

## Sculptures to be on display in St. Francis

During the Art Walk, "Draggin' Main, a New Twist," on Friday, June 14, Quincy Gallery will feature a special exhibit of 14 sculptures created by St. Francis native, Glenn Zwegardt. For over 40 years, Glenn has been an active sculptor and educator.

With more than 50 solo exhibitions and multiple purchase awards to his name, he shows works both nationally and internationally. His sculptures are included in many university, museum, outdoor and private collections.

Now an emeritus Professor of Sculpture at the New York State College of Ceramics at Alfred University, Glenn continues to make signature sculptures in his Alfred Station studio. His creations of steel, ductile iron, stainless steel, cast glass, cast bronze and aluminum are often combined with stone from around the world. These sculptures range from monumental outdoor works

to small, intimate pieces.

"The theme of my sculpture is the placement of myself in relation to nature," Mr. Zwegardt said. "While working in materials such as metal, stone and glass, I am telling three-dimensional stories that capture my life experiences immersed in my perception of a collective consciousness. It is my intention that these stories, spoken through an expression of form, texture and color, will enter into human consciousness and the fourth dimension."

Cheyenne Center for Creativity is privileged to show the smaller Zwegardt sculptures in their new gallery space at 109 N. Quincy, said Janet Carman, coordinator. The show will be held during the Art Walk from 4 to 7 p.m. on June 14.

In commemoration of St. Francis' 125th Anniversary, Zwegardt is donating a large sculpture in memory of his parents, Gus and Martha

Zwegardt, to the city, as well as displaying five other pieces in Sawhill Park. Dedication of the St. Francis sculpture will take place in the park after the Art Walk at 7:30 p.m.

## Thank You

Thank you to all those who supported our food stand through the years. Thanks to those who helped us, to the people we worked for and for those who helped us in the stand. A special thanks to our children, Alan, Laurie and Paul, who helped serve our last sale at the car show. Also to Lisa Holzwarth who took money that day.

Stan and Neva Wahrman.
