servicing our country or have since passed on. Chad sang "I'm Proud to be an American." and Milton asked all attending veterans to stand to be honored. Dorothy Kellner spoke on the history of "Taps" which was then played by Sydney Sundstrom. After sharing in song, "America The Beautiful," Pastor Landers gave the benediction and "God Bless America" was sung.

Cheyenne Valley Cemetery
Around 20 people gathered to celebrate Memorial Day at Cheyenne Valley Cemetery. Barbara Ewing welcomed everyone. "Let's make it a wonderful day for all of our veterans: both those who are living and those who have gone before us," she said.

The Pledge of Allegiance was led by Helene Landenberger, who also thanked the flag committee; Ron and Dot Hilt, Jack Weinstein, Jr., Gary Yonkey, Oscar Whitman, and Laverne Young for making sure that the flags at the cemetery

were hung appropriately. Pastor Jeff Landers of the First Christian Church gave the devotional. "God answers prayers for courage by giving us the opportunity to demonstrate courage," he said.

He continued with many examples of courage by soldiers throughout this country's history. "Their display of courage would provide us courage today as citizens of the greatest nation on earth."

Marsha Magley spoke about the Kanel family during the family spotlight segment. She provided rich history of the family's contributions to the development and growth of Cheyenne County in its earliest years. Two baby girls from the Kanel family, Aleen and Vesta, are buried in the Cheyenne Valley Cemetery. The benediction was led by Pastor Landers and "Taps" was played. Everyone was invited to a reception following the ceremony.

THE WIND WAS BLOWING as the crowd gathered at Hope Valley Cemetery Sunday afternoon. Pictured, right, is Pastor Randy Nelson, who gave the message. Below, Chad Miller sang during the St. Francis Cemetery Memorial

Day service. Also pictured, left to right, Jerry White, Pastor Jeff Landers, Dorothy Kellner, Sydney Sundstrom and Milton Lampe.

Handy Tips

- Flies or bees bothering you? Spray them with hair spray and they will take a quick dive.
- Sealed envelope - put in the freezer for a few hours, then slide a knife under the flap. The envelope can then be resealed.
- Use empty toilet paper roll to store appliance cords. It keeps them neat and you can write on the roll what appliance it belongs to.

- For icy door steps in freezing temperatures: get warm water and put Dawn dish-washing liquid in it. Pour it all over the steps. The mix won't re-freeze.
- Crayon marks on walls? This worked wonderfully! A damp rag, dipped in baking soda. Comes off with little effort (elbow grease that is!).
