

Many activities planned for 125th

The 125th St. Francis Birthday Celebration is now history, having taken place over the weekend. There were many activities for adults as well as kids. Top right: Colton Raile, Eli Mills and Lucas Raile were filling their water guns at the park during the fun and games Friday morning. Clockwise, Abby Burr and Michael Raile toss colored cornstarch on runners during the color run and walk; people lined up for the barbecue on Friday evening; Grandma Glenda Rieger talks to Mason Rieger. Also pictured are his parents, Cale and Lori Rieger and Grandpa Terry Rieger. Merilie Leach sits with her granddaughter, Kolbie Leach. Kolbie has her goat dressed for the Art Walk. Lance and Melissa Owens were married during the 125th celebration in the band shell, Sawhill Park.
