**Dark Harbor**  
By Stuart Woods

In Dark Harbor, Maine, Stone Barrington discovers a picturesque town where the shocking deaths of three people have cast a long shadow over this island haven, a locale as mysterious as it is exclusive. Stone Barrington hasn't heard from his cousin, Dick

Stone, in years, though he has fond memories of a teenager summer spent at his house in Maine. But then the CIA's Lance Cabot interrupts an otherwise pleasant meal at Elaine's with news of Dick's death, apparently by his own hand. It seems that Dick Stone, a quiet family man who doubled as a CIA agent, methodically executed his wife, daughter, and then himself, or did he?

With the help of his ex-partner, Dino, and his friend Holy Barker, Stone must piece together the elusive facts of his cousin's life and death as a CIA operative. Dark Harbor offers us the perfect mix of sexy intrigue and swift suspense that legions of fans have come to expect from master storyteller Stuart Woods.

Your dedication to our bank has led to Western State Bank's growth throughout the western third of the state.
