

# It was a very good fair

The carnival rides were popular during the Cheyenne County Fair. There are two swings – an adult and a kids.

THERE WERE FOUR DAYS of fun, carnival, grandstand events and cotton candy during the county fair, July 31-Aug. 3. Above, left, the St. Francis Equi-ty float was the Overall Grand Cham- pion; clockwise, Junior Knorr was rid- ing in his truck that he hauled wheat in for many years; Skip and Betty Petersen were the fair parade marshals; 12 cars showed up for an exciting demolition derby held Saturday night of the fair; local ropers were intense as the heeler swung his rope.
