Lions Club

The regular meeting of the St. Francis Lions Club was held at The Windmill Restaurant on Monday, Nov. 8. The meeting opened with the Pledge of Allegiance and Norman Morrow gave the invocation. The drawing was won by Carl Werner.

Deb Patton reported that the ribbon sales at the craft show were very good. It was announced that the Dec. 13 meeting will be the Christmas meeting and spouses are to be special guests. Dorothy Kellner will arrange the program for the evening.

Plans for the December pancake breakfast were presented by Roger Pownell. It was agreed to keep the prices the same as last year- \$3 for all you can eat pancakes and juice or coffee, and \$4 for "the works" which includes all the pancakes you can eat plus one meat, eggs and juice or coffee.

Judi Barnabee and Bud Mosier from the McDonald Lions Club were guests at the meeting. The club quickly discovered their ulterior motive for visiting was to bring "Roscoe, the traveling chicken." The idea of a "traveling animal" was created a number of years ago to promote visitation between the various clubs in the district. The original animal was a goat. Roscoe will be the responsibility of the St. Francis club until its members visit another club in the district and pass him on. Roscoe will reside with Elmer and Dorothy Kellner.

The meeting was adjourned early in order for members to attend the Veterans' Day program at the grade school.

Ramblers

Ramblers met Nov. 10 at the home of Elaine Kehlbeck with Margaret Shay and Hertha Kelley as co-hostesses. Fourteen members enjoyed delicious refreshments before departing to the Gary Lamb residence for a tour of his beautiful antiques.

The next meeting will be the Christmas dinner on Sunday, Dec. 12, at 4 p.m. at the home of RoseMary Bierig.

Angel tree set-up at hospital

Is there an angel in your life? Is there someone whom you would like to honor or remember in a special way? Now is your chance. Hospice Services, Inc., will be decorating a tree for the holidays at the Cheyenne County Hospital in St. Francis. In this season of giving and caring, they invite you to help decorate their Memorial Christmas Tree.

Here's how it works. Stop by

the hospital and give a tax-deductible donation to Hospice Services. With your donation to the annual campaign, a special ornament with the name of the individual is placed on the Christmas Memorial Tree. The ornament will be displayed through out this holiday season.

The holidays are a wonderful time of year. The sounds, smells and activities of the season all say

"love", "family" and friends." By giving to the Hospice Services Memorial Christmas tree you honor the cherished memories of loved ones. It is also a tradition of helping others in Cheyenne County to receive much needed care and comfort during a final illness. By giving to Hospice Services, Inc. you allow someone to share their gift of life with family and friends to the very end.

Man charged with shooting, stabbing

Charges have been filed in District Court against Douglas Michael Whitaker, 34, of Utah, who was shot by a law enforcement officer after allegedly stabbing a Goodland man last Monday.

The complaint against Whitaker includes attempted second-degree murder, aggravated battery and aggravated assault on a law enforcement officer.

The stabbing happened after a disagreement over a woman allegedly led Whitaker to attack Rustin Leiker, 21, stabbing him in the neck and arm.

Kyle Smith with the Kansas Bureau of Investigation said Whitaker then fled.

Leiker was taken to St. Anthony's Central Hospital in Denver, where he is still listed in serious condition.

Smith said Whitaker was found on a roof at 706 W. 8th in

Goodland, where officers attempted to talk him down.

Preliminary reports say Whitaker threatened Mike Hopper, a Kansas Department of Wildlife and Parks game warden, with a knife. Hopper drew his weapon and fired. The bullet hit Whitaker in the arm and continued into his left rib. Authorities said after he was shot and came down from the roof, Whitaker continued to struggle, and it took several officers to subdue him.

Smith said he was not allowed to release any more information about the shooting Monday.

Whitaker was taken to the same Denver hospital, where he remained until Friday. He was released into the custody of the Denver County Sheriff's office, and is awaiting extradition back to Goodland.

Hopper is on paid administrative leave until the investigation by the KBI is complete.

In the "Coaches Quarterly - Fall 2004," student athletes were asked the question "Why do you like playing your sport and what gives you the most satisfaction from it?"

Among those responding to the question was St. Francis Community High School student Dylan Loyd who participates in football, wrestling and track.

Dylan said, "I have always enjoyed the sport of wrestling because of the hard work and preparation that goes into it. I have played many different sports and none of them are as enjoyable to me as wrestling.

The part I enjoy most about it is the individuality of the sport. I love stepping on the mat knowing that your teammates can do nothing for you while you're out there, except support you. What gives me the most satisfaction is when you know you gave it your all — 100 percent, day in and day out."

Dylan was a sophomore when he answered the question. Today, he is a junior and has just finished the football season despite a broken arm near the beginning. Wrestling

Loyd

will start this week and he plans to wrestle 125 pounds for the Indian team.
