IMMUNIZE YOUR TRUE PRIZE

*A new life,
a special gift*

Babies depend on you, as new parents, for so much in the early stages of life – food, shelter and lots of love. They also count on you to protect their future, so that they may grow up healthy.

That's why it's essential to immunize your child with the proper vaccinations by 24 months of age. You'll lower or eliminate the risk of many preventable diseases and illnesses. It's the best way to protect your future, and the future of the new life with which you've been given.

Contact your provider today and find out if they participate in the "Immunize and Win a Prize" vaccination program. Keeping your child's immunizations up to date is a gift you'll both be grateful for.

St John United Church of Christ News
Bill Carpenter performed special music Gentle Savior. Summer worship service begins at 10 a.m.

Deaths
Over 300 people attended the funeral service for Erika (Brenner) Christensen. Erika is survived by her husband Matt and son Ethan Christensen of Lansing, MI; parents Bob and Terry Brenner of Idalia and brother Ken Brenner of Colorado Springs.

Bill and Peggy Carpenter, and Cecil and Heather Dull and family will be traveling to Steamboat Springs to attend the funeral of

Heather's father and Peggy's brother Ted Dorr who passed away last April. Due to the funeral, Carpenter's Mini Mall will be closed on Friday, July 1st and Monday, July 4th. On Saturday, July 2nd the store will be open between the hours of 1 and 7 p.m.

State Family Community Education
Joyce Helling spent June 9 and 10 in Greeley attending the State Family and Community Education Conference. She attended many interesting workshops and programs. She enjoyed touring a private home east of Greeley that was built to replicate Bent's Old Ford. While in Greeley, Joyce met her cousin Marlene Wilmot for lunch.

Idalia FFA to Fort Morgan

The Idalia FFA Chapter members were recently in Fort Morgan for the 77th Annual State Convention. June 7-9 proved to be great days, allowing all fifteen members attending the convention to learn about the traditions of the Colorado FFA as the theme of this years convention was "Building on Tradition."

In the Proficiency Area, Andrea Knodel received a silver award for her Beef Production Entrepreneurship. Blake Cure received a gold award in proficiency for Diversified Agricultural Placement.

Mallory Rose received a gold award for her Ag. I open record book. Scott Cure got a bronze for his Ag. I closed book. Andrea Knodel received gold for her Ag. II closed.

Krista Soehner received a gold for her Ag. III closed record book.

More awards came to the chapter in the notebook area. Mallory Rose, Lucas Devlin, Kaitlin Soehner, and Ashley Chamberlain all received gold awards.

All officers who sent books to the convention received gold awards! Jose Munoz, Historian, compiled the chapter scrapbook. Kevin Lengel sent the treasurer's book; and Krista Soehner, the secretary's book.

Three of the members received the highest degree that the state gives out in the State Degree. The three members who received the prestigious award were Whitney Weyerman, Kevin Lengel, and Blake Cure. Blake was also recognized for being the High Plains District Star in Placement.

The chapter itself did well too, with its members leading the way. From the Colorado FFA Association, we were recognized for "Sharing with Pride." The members were also recognized for 120% Membership. The chapter received a gold award in the National Chapter Award Program and the application will be sent on to Nationals.

There were two members who competed in contests at the state level. Mallory Rose competed in the creed speaking contest and received a gold award; this is the highest anyone from this chapter has ever received in the creed speaking contest at state. Also, Andrea Knodel competed in Prepared Public Speaking Contest, to Andrea's surprise; she was named the state winner. Andrea will be representing Colorado at the National FFA Convention in October in Louisville, Ky.

Whitney Weyerman worked hard in representing the chapter as a state officer candidate. Although Whitney was nominated for an office, the members are proud of her.

The chapter was well represented in the tug-of-war and volleyball tournaments. Although the tug-of-war team didn't make it past the first round, they gave it their all and made it a good competition for the other team. The team had some success in the volleyball tournament placing 3rd overall and receiving \$25.

Overall the chapter members had a great time and are excited to head back to state convention next year in Pueblo, Colo.
