Western Sprinklers Honored as a Valley 2010 Performance Plus Dealer

(Valley, Neb.) - Valmont Irrigation has announced Western Sprinklers of Colby, KS as a Valley Performance Plus Dealer for 2010. Western Sprinklers has earned this designation for excelling in the areas of Sales, Service and Aftermarket Parts.

Each dealership is scored based on departmental evaluations and annual customer satisfaction surveys as well as the success of their own dealership growth plans. Focusing on best practices, Valley dealers strive to deliver the highest standards of service and product support to their mechanized irrigation customers.

The Dealer Performance Plus Program, now in its eighth year, focuses on the recognition of dealers as they continue to meet the ever increasing and changing needs of production agriculture.

"Being honored as a Performance Plus Dealer represents a significant dedication not only to Valley products and sales but also to Valley customers and the service they expect from our company," stated Rich Panowicz, Director of North American Sales, Valmont Irrigation.

"With this program, we honor those dealerships that set out to meet the challenges before them and are successfully surpassing those goals," Panowicz stated.

Western Sprinklers is a 7 time Performance Plus Award Winner.
