

Let the **Gorilla** help sell your stuff

If you're planning a garage sale, be sure it's in **The Country Advocate**

Invite the 900-pound Gorilla to help with your garage sale. You'll have more customers, sell more stuff and make more money. That means more in your pockets at the end of the day, and less junk to haul off to the dump.

How does it work? Simple. While the paper reaches most families in the town, The Country Advocate goes all over northwest Kansas. It reaches 41,860 readers in 11 Kansas counties, plus parts of northeastern Colorado and southwest Nebraska.

That's why it's the 900-pound Gorilla of Northwest Kansas Advertising, reaching more homes and more people than any other publication, broadcast station, cable system, Internet page or advertising medium.

Reader after reader has tried The Advocate for their advertising. The results?

Stuff sells. People drive for miles to find a good sale. They don't want to walk away empty-handed. The Gorilla works.

Your newspaper makes it easy for you to be in The Advocate. Just call or stop by and place your ad. You'll be surprised how easy it is, and how affordable. You'll be surprised — and happy — when your phone starts to ring or people show up at your door.

But call today. Deadline for The Advocate is noon Friday, ONE WEEK BEFORE a weekend sale. Sure, you can get an ad in the paper later, but it won't be the same. Call the Gorilla.

Wedding & Prom Planning Guide

Wedding and Prom seasons are fast approaching. We've compiled great information to help you in your quest for the perfect event.

Bride's Wedding Checklist

10-12 months to go:

1. Establish budget-decide priority of where to save and where you would be more likely to splurge.
2. Start guest list.
3. Choose wedding party. Who's going to be at your side on your big day?
4. Start narrowing down venues.
5. Tell everyone to save the date!

6-9 months to go:

1. Continue research on venues, flowers, entertainment, etc. It would be wise to get everything in writing once finalized.
2. Time to create your gift registry!
3. Arrange hotel rooms for out-of-town guests, and be sure to book your own suite if desired.
4. This is a good time to decide and start to finalize bridesmaid and flower girls dresses.
5. Start deciding on bachelor/bachelorette parties.

3-5 months to go:

1. Book locations, entertainment, catering and cakes if necessary.
2. Shop for and reserve men's formal wear.
3. Finalize these things: guest list, invitations, vows, menu, hair and make-up, honeymoon plans, photographer.
4. Purchase the rings!

6-8 weeks to go:

1. Mail out invites!
2. Touch base with vendors, pay deposits and confirm dates and details with them.
3. Start researching marriage license details and name-change paperwork.
4. Begin dress fittings. Also be sure to buy the appropriate undergarments!
5. Write thank you cards for any early wedding gifts you may have received.

3-5 weeks to go:

1. Make final shotlist with photographer.
2. Obtain marriage license.
3. Final dress fitting!
4. Hunt down anybody that hasn't RSVP'd!
5. Confirm song list with DJ if you have one.

1-2 weeks to go:

1. Give caterer final guest count.
2. Create seating chart if needed.
3. Check weather and have a back-up plan if needed.
4. Start packing for that honeymoon!
5. Pamper yourself with a massage!

THE DAY BEFORE:

1. Get rings and marriage certificate ready.
2. Assign someone to pack up gifts after reception, and have someone to take back formal wear rentals the next day.
3. Head to bed early and get that beauty rest!

Prom & Wedding Beauty Dos and Don'ts

1. **DO** choose a classic 'do. You want your hairdo to be timeless, and not embarrassing when you pull out that prom or wedding photo 20 years down the road. Use clean lines and keep it simple, and avoid straying too far from your normal comfort zone.

2. **DO** use simple make-up. Save the blue eyeshadow and dark red lipstick for Halloween. Natural beauty photographs so much better anyway!

3. **DO** keep your beauty routine the same. Now would not be a good time to try out that new pimple cream, only to find out you have a reaction to it.

4. **DON'T** wear body glitter! You and your date/groom will be the best glittery couple around! Instead, opt for a lotion that has a slight shimmer.

5. **DON'T** opt for dewy skin. When you plan on taking pictures, your skin may instead look greasy and oily. Instead, use a shine control mask to help diminish any shine.

6. **DON'T** eat foods that increase bloating (dairy, fizzy drinks, caffeine, salt, coffee, junk food, etc.)

The Dress

1. **DON'T** show too much skin! A thigh-high slit, cutouts and a plunging neckline will make you look classless instead of classy.

2. **DO** choose a figure-flattering silhouette. It's worth the extra dollars to have your dress tailored to your body shape.

3. **DO** choose a comfortable dress and shoes also. You want to be able to dance the night away in comfort!

4. **DON'T** spend your entire savings on a dress. There are many places that have affordable dresses. No need to spend every penny on a dress for one night.

Wedding & Prom Planning Guide

Wedding Tuxes Timeline

3-6 months to go: Decide which retailer you want to use. Color choices need to be narrowed down also.

2-5 months to go: Select the tux style you wish to go with and place your order.

6-8 weeks to go: Measurements should be collected and given to the tux retailer. The groom and any local groomsmen should visit the retailer to be measured and fitted.

1 week to go: Final fittings and pick up tuxes.

1 business day after wedding: Return those tuxes to avoid any late charges!

Prom and Wedding Flowers

Color coordination is BIG! Know what colors you are wanting, and also be open-minded about your flower choices. Some flowers may not be in season, but there are always similar flowers to what you are wanting.

For Prom, be sure to decide on colors, and give your florist AT LEAST a 2-3 week notice.

For Weddings, a 3-4 month (if not more) notice would be ideal. Also, bring your florist to your wedding location.

He or she can help give great ideas.

Getting There is Half the Fun!

Are you splurging for a limo? OH what about a horse-drawn carriage! Is Dad letting you borrow that classic car he's had stored in the garage for the last 15 years?

No matter which way you arrive to your Prom or Wedding, be sure to match your ride to your taste. You don't have to go with the glitzy limo ride...pulling up to the high school or church in a John Deere tractor could be quite memorable! If you are a person to think outside the box, your possibilities are endless!

Also, if borrowing someone's vehicle, be sure to give the person plenty of notice. You don't want them out of town at a classic car show the weekend of Prom or your Wedding.

Tickle Those Tastebuds!

Whether you're thinking BBQ or Italian, 5-star or 2-star, your budget plays a big role in how to cater your wedding.

If the budget is tight, bribe family into helping make the fixings. If the budget is loose, then go for the caterer. As long as you know how many mouths you are feeding, delicious food is always possible.

Also be sure to know if any guests may be vegan, or if Aunt Susan is horribly allergic to peanuts. Putting notes next to any foods that are vegan, or that have nuts, would be a great idea.

Capture the Memories

1. Decide what style of photographs you are wanting. Are you leaning towards traditional, staged photos? Or maybe more candid shots where the subject doesn't realize they're being photographed? Either way, talk with your photographer and make sure you are both on the same style page.

2. Decide on what level of service you want. Do you want photos of the ceremony only, or are you pining for the whole package?

3. Budget is BIG! Knowing how much you can afford to spend will allow you to discard any photographers who are out of your price range.

4. Decide how to use your pictures. Do you want enough professional pictures for the entire family, or just an album for you and your new husband?

5. ALWAYS CONFIRM, CONFIRM, CONFIRM! Once you have chosen your photographer, make sure you are penciled in on their calendar! Confirm at least 2-3 months ahead of the wedding, and again 1-2 weeks before, just to iron out the last-minute details.

6. If your photographer is staying for the whole reception, please feed them! And make sure they are seated close to the bride and groom's table so he or she can capture all the loving moments.

Deals and steals are abound at these great sponsors!
