### NOTICE TO CITIZENS IN THE CITY OF REXFORD

### OPPORTUNITY FOR HOME IMPROVEMENT

The target area includes all homes north of the railroad tracks and homes west of Main Street that are also within the city limits.

Eligibility for this program will be based on a number of factors including applicant's income, and the condition of the existing home. If you feel that your home needs repairs, you are encouraged to apply. Applicant eligibility will be based on a sliding-income scale. For example, a household with one person is limited to an income of \$24,200, or less per year to qualify, while a household with four persons must have an income of \$34,550, or less per year to qualify.

Need for this program will be determined by a first-come, first served basis on complete applications. This determination will give all citizens of Rexford a fair opportunity to participate in the program providing guidelines that are outlined in the City of Rexford Housing Program are met.

A public meeting will be held to explain the program and to distribute applications. The Rexford Housing Board and representatives of the Northwest Kansas Planning and Development Commission will be on hand to review the grant program guidelines and to answer questions. Those in attendance will receive credit towards their application therefore, if a tie should occur the public meeting attendance will be the deciding criteria. All interested individuals are encouraged to attend the meeting on Thursday, October 4, 2001 at 7:00 p.m. at the Community Building, 355 Main in Rexford, Kansas.

Reasonable accommodations are available for persons needing assistance. Requests for accommodations should be submitted to Jolene Hansen, City Clerk, by October 2, 2001.
