Shakespeare Club

Colby Shakespeare Club met at the home Ruth Lowenthal on Friday, Feb. 22. President Delores Ary called the meeting to order by asking members to repeat the flag salute and club collect. Six members answered roll call by naming a dear childhood friend.

President Delores shared correspondence regarding the June 15-18 International Convention at Crown Center in Kansas City, Mo.

JoAnne Sunderman passed around the book purchased by Shakespeare Club in memory of Lourena Pratt. It is entitled *Betty Crocker's New Cake Decorating Creative Cakes* for Every Occasion. It is a lovely book that Lourena would have liked. JoAnne also gave interesting book talks on several new books in the library;

Delicious cherry pie prepared by Kathy Calliham was served on a lovely springtime table by Ruth. We all enjoyed pie and coffee as members sat in front of open doors and enjoyed Ruth's beautiful lakeside view.

'Vial of Life' in refrigerator may save your life

I had a nice visit with Anita Roulier at the hospital information booth. She sent an interesting jar and information sheet with me, and it has to do with a place to keep important information, in case of sudden illness or accident. The information is written on the available forms, and stored inside the jar. The jar is then kept in a door shelf of the refrigerator, or other handy area. It has information about medications and what a person might be allergic to, and all the legal necessities. I am sure we should all have this type of information handy, because as we realize with Don's death, things can happen in a hurry. Be sure to check with your caregivers about the "Vial of Life". As the old saying goes, "The life you save could be your own!"

The Prairie Gem 4-H Club will be having an Easter Egg Hunt, on Friday, March 29, at the football field, beginning at 10 a.m. Hope the weather co-
