Youth soccer taking registrations

The American Youth Soccer Organization (AYSO) is currently registering players for the fall 2002/spring 2003 soccer season. Players are divided onto teams by age and any child who is at least four-and-one-half years old by Aug. 1, 2002 is eligible to play. Both boys and girls are encouraged to register. AYSO Region 994 currently has fields in Colby and Oakley with games being played at both locations. The season starts the week of Sept. 7th with scheduled training and orientation sessions, and games are tentatively

scheduled to start Sept. 14, 2002 and will end Sept. 28th. The spring season will begin in April 2003 and run approximately eight weeks.

New player early registration fee is \$40 and is due Aug. 15, 2002. Registration forms will be available during public school registration times or by calling Ann Miner at 462-6399. After the early registration deadline fees increase by \$5. No registrations will be accepted after Aug. 22, 2002 unless there is room on a team. This fee covers both the fall 2002 and spring 2003
