Husband was one of more than 10,000 Atlantic Fleet sailors and Marines aboard the ships of the USS John F. Kennedy Carrier Battle Group and USS Wasp Amphibious Ready Group participating in joint-service, multinational operations in the U.S.-led war against terrorism.

The ship also has conventional landing craft and helicopters embarked, and is equipped with medical facilities staffed by Navy doctors, dentists, nurses and corpsmen.

Wallace county was hit hard with a lot of damage to trees, buildings, roofs, vehicles, grain bins and railroad cars at the elevator.
