Two Colby clubs set out to ‘Make a Difference’

By PATTY DECKER

Free Press Editor

Shakespeare Club and Pi Gamma, which are two local organizations involved with the Kansas chapter of the General Federated Women’s group are sponsoring a “Make a Difference Day,” from 2 to 4 p.m., Saturday at the Pioneer Memorial Library in Colby. The project, said Kathy Calliham, president of the Shakespeare Club, will emphasize reading and also hopes to recruit reading mentors. The event is

open to pre-school through students in sixth grade and their families.

Calliham said the idea for this project was prompted by President George W. Bush who has asked all Americans to overcome evil with acts of goodness and also because he believes we can all make a difference in the lives of others.

“This is a new project for us,” Calliham said, “and our Kansas chapter of the General Federated Women’s group wants to make literacy one of its

bigger projects in Kansas for the next two years.”

The event on Saturday will be a come and go, she said, and hoped that many students and their families will make plans to attend.

For information, call 462-2081.
