I was able to visit with Joyce Crabtree, via telephone, on Tuesday. She sounded very good, and is happy that she is back in Colby. She is planning on resting as much as possible to gain her strength back, and if she is able to do that, I don't think it will be long before she will be her usual "superwoman" self, wishers out for visiting and dancagain. We all know how close a call she had, and I know her family is very happy that the doctors at Denver were able to help her.

This past month seems to have been extra busy, and therefore, it is going super fast. Tuesday, Mary Garrett and Edna Hoyt, were co-celebrants at a Birthday Coffee, at the Senior Center. There were 12 guests on hand to celebrate with them, and Bonnie Reid made a delicious dessert, with chocolate, caramel, peanuts, peanut butter, and oatmeal. The oatmeal and peanut butter made it qualify as 'health food" — right!?

We noticed that Mary's family all seemed to be on hand, for Easter, and that means the Schoenbergers and the Randolphs also had com-

Wilma Burk and Beverly Frailey spent the weekend in McCook, with family members. Wilma's sister, Alma Wondersee, of Goodland accompanied them to Nebraska.

The RSVP Awards Banquet and Dance was well attended, and evervone that went had a very good time. Laura had a patriotic theme, and there was a lot of red, white and blue in the decorations.

went shopping for the lamb, and also some Easter duds, and then we spent the afternoon getting the lamb ready. After attending church with us on Sunday morning, they joined us for a delicious meal at the Colonial Restaurant in Oakley. All the folks from church, joined us, and then Barry and his family left for home. They stopped in Hays, to spend an hour or so with Barry's sister, Beth and her family. That made for a very nice weekend to have the grandkids here. Andrew is doing so great, and can now sign more than 50 words. Grandma is still working on "please and thank you", although I have "more" and "I love you" down.

Bud and Peggy Parker, of Denver, stopped by the Senior Center, on their way home from seeing their daughter, in Ohio. It was good to see them, but seemed like Inace should be here, too. We all miss her, but still happy that she was able to enjoy life for all of her years.

The City Wide Garage Sale will be held on Saturday, June 7, so start gathering all those items that you stumble over, in your garage, clean them up, and make sure they still work. Seems like we have lots of items that could be thinned out. Of course, Roger has more than I have, even though he says it's the other way around. Anyway, June will be here before we know it, so start

That's it for now, so hope you all have a great week. See you next time.
