Dain Carmen plans visit home

Dain Carmen, a 2001 graduate of Golden Plains High School, will be visiting with his parents, Danny and Deanna Carmen of Gem.

Dain is in the United States Navy and has been assigned to Kuwait for the past several months as a hospital nurse.

Deanna said she went to Wichita on Thursday to meet him at the airport. Dain will be in Gem for the next five to seven days and then will return to Virginia.

Friends and former classmates are encouraged to call or stop by while he is home.

Kristie Cox is back home

Kristie Cox, formerly of Colby and now living in Hays, is back at home after spending 50 days in Wichita and Hays hospitals.

According to a family member, Kristie had a rare atrial myxoma and even more rare was when it broke up and pieces entered the blood stream causing the loss of her left leg.

She is now walking and doing very well, but still has a long time to go with lots of rehabilitation. We are all so very happy to have her home and we appreciate all the prayers said on her behalf.
