# Updates needed for Brewster Alumni Directory

Bonnie Reid has me to announce that the Brewster Alumni Directory is being updated, and if you know of any Alumni with a change of address it would be appreciated if you would contact her, Joyce Crabtree, or Donna Farley. I am certain that it would be good if you would do this as soon as possible, as the directories will soon be printed.

Also, if you are missing a pair of glasses, they may be at the Brewster Grocery. They were found on the grass at the United Methodist Church a few weeks ago and all you need to do is identify them.

Before May 28, commodities may be picked up at the Senior Center, while supplies last. The items to be received include peanut butter, beef stew, mixed fruit, green beans, pineapple juice, pudding cups, roasted almonds and instant milk. The requirements for income limitations will be on hand at the Senior Center.

I would like to thank all of you who have sent cards, flowers and concern to Roger and myself, due

to the loss of my brother, "Smitty." A very special "Thank you" to Zelma Kinkade and Marge Westover for making it easy for me to take the day off to attend Smitty's services. Also, to Bonnie Reid and the aerobics ladies for the cut flowers that brightened my day, so much, and the folks from the Senior Center for the beautiful Heather plant. As Joyce Crabtree has placed on the sign in the middle of the intersection, Brewster is a great place to live!

Now, we have got to get to work on all the things we are going to have for sale, on June 7, during the All-City Garage Sale! That is just around the corner, and there's much to do for us to get ready, and I'll bet you're not any readier than I am.

## Thank You....

We have received great consolation and comfort in the help and understanding of our many relatives and friends through calls, sympathy cards, flowers and memorial donations in the loss of our Mother and Grandmother. A special thanks to Doctor Regier and Juanita Gatz, Alva Horn, Joanie Jamison and each and everyone of the Nurses and staff at Prairie Senior Living Center who helped care for Esther over the last eleven years. Our appreciation to Don & Cathy Harrison and Shad Sanders for their help with her service. We especially thank Pastor Reed Hartford and the women of the CWF of the Christian Church. Your kindness will never be forgotten. We shall long remember your thoughtfulness in the loss of our loved one.

Here are a few last minute instructions: if you plan to enter, be sure to bring your money (\$4) to Gloria's Beauty Shop or to the Brewster Senior Center before June 4. That will give the ladies and gents time to get their items together, and also, time to get the maps made so the buyers will know where the bargains are. And, if any club or organization would like to have a food booth, the football field concession stand will be available. Restrooms for the public's use will be available, also.

Those that were able to attend the high school graduation have commented on what a nice event it was, and that the speaker was very good. I am certain the graduates heard every word, too!

Seems like that is such a milestone in one's life, that the excitement keeps us from concentrating too hard on anything. That is the moment when we begin to leave our youth behind, and not much seems to matter except getting across that stage. All I've ever talked to feel the

same as I did. But now that the day is over, I'll tell all the graduates "congratulations!"

The weather has taken a definite cool turn, and there is talk that the low tonight might be near frost. After all the nice days, it's hard to think that is still possible, but actually, it has happened many times before.

I'd hate to see it because the flowers and trees are outdoing themselves in beauty this year and with the wonderful moisture, everything is so green and luscious looking. It's amazing what a little moisture can do, isn't it!?

That's it for this time, have a great week
