Friday, Feb. 27 - JH Soda Recital, students only at 3 p.m.

Happenings

Controlling asthma topic of program next week

"Breathing Easy: Controlling Asthma Triggers," will be the subject of a program starting at noon next Wednesday at the Thomas County Office Complex meeting room, 350 S. Range in Colby.

The presentation is being sponsored by the Thomas County Extension's family and consumer sciences department and is open to everyone. "Asthma is a chronic condition that occurs when the air passages of the lungs and bronchial tubes become swollen, irritated and inflamed," said Melinda Daily, extension agent from Wallace County and who is the presenter.

Thomas County Extension Agent D'Ette Scholtz is encouraging those planning to attend to "bring a sack lunch and learn more about how to

control asthma triggers and other information about asthma."

For questions or other information, call Scholtz at 462-4582.

Girl Scouts continue selling

The Girl Scouts in Sunflower Council, which includes Thomas County, have re-opened the cookie sale for all troops in Northwest Kansas. The reason was due to bad weather during the selling period which resulted in lower sales overall. For those interested in purchasing cookies, but have not been contacted by a girl, call Shannon Koon at 460-6662 or the council office in Hays at 888-811-8832. The latest date to order cookies for this second drive will be Friday, Feb. 27 with deliveries being made between Wednesday, March 10 and Friday, March 26.

Now is the time for immunizations

Editor's note: The following article is provided as a public service from the Thomas County Health Department. For questions on this column or general information, call the county nurse at 462-4596.

Will your child need a school physical and immunization for the upcoming school year?

This is a good time to get their physicals and immunizations scheduled.

Any student enrolling or enrolled in any school for the first time in this state, and each child enrolling or enrolled for the first time in a preschool or day care program operated by a school, prior to admission to an attendance at school, shall present to

Healthy Haps

the appropriate school board, certification from a physician or local health department that the pupil has received such tests and immunizations.

Your child is eligible to receive their school immunizations when they are four years of age. If they are up to date on their immunizations, they will need a DTAP, MMR and IPV. A good time to get these is at their preschool physicals if they are of age or just bring them in for this service.

We accept medical and health wave cards and will bill insurance

for all children's services.

By getting this done, you will have a carefree summer and not have to worry about these needs.

To schedule an appointment please call 462-4596. The cost of the physical is \$25.

With the weather getting nicer, why not start your "GET HEALTHY" program.

You know, the one wehre you exercise and eat smart.

Wouldn't you feel better and benefit with a program such as this in your life? Before summer is here, get a jump start on a health kick for yourself. It's never too late to start getting healthy.

Quitting smoking, wearing your

seatbelt at all times, wearing sunscreen, etc. could also be added into your program.

Be creative and ask a family member or a friend to join you. If you need any assistance or questions answered, let us know.

We would be glad to help you in any way. Call us at 462-4596.

d It looks like the perfect d. The only problem is, it's a p. It's dyslexia. A reading disability where some kids confuse their d's with p's, b's and q's. But, with help most of these kids can go on to do well in school. Call 1-888-GR8-MIND now. There's no reason to be held back.

4-H News

New Members Installed Into the Brewster Prairie Gem 4-H

A very important ceremony occurred at the Brewster Prairie Gem 4-H Club at its meeting in November. Susan Hayes and Layton Werth were installed as new members of the 4-H club.

Avery Schultz conducted the regular monthly meeting of the Brewster Prairie Gem 4-H Club. The meeting was opened with Benjamin Baird leading the members in the flag salute. Song leaders Benjamin Baird and Kasey Hoyt led the club in singing Bingo.

Fill in secretary, Baylee Westover, informed the club after roll call that there were 16 members present and 2 guests. The roll call topic was, "How many projects are you enrolled in this year?"

During the business session, members were informed about the dates of the steer barn work day, Achievement Banquet, program book work day, and that the county would be selling pizza again for the Council's fund raiser. Baylee Westover, treasurer, gave her report.

During new business the club decided to send a donation to the Larned State Hospital for Christmas gifts. For the program Baylee Westover gave a project talk about her Clothing Carousel project and Melissa Baird gave a project talk about her Clothing project. Benjamin Baird gave a demonstration on how to put a new plug on the end of the extension cord. Safety and Health was given by Michael Eicher who told the club how to protect yourself from the West Nile Virus.

Wyatt Werth taught the club a marble shoot game. The members enjoyed playing this for recreation. The meeting was adjourned with the 4-H pledge led by Wyatt Werth.

William E. Smith Estate

TUESDAY, MARCH 2, 2004 • 10:30 a.m. CST • (Storm Date: Mar. 9, 2004)
