

Artist to teach workshop at Hansen Museum in Logan

The Hansen Museum in Logan is inviting area residents to consider attending a four-day workshop conducted by an international watercolor and portrait artist, said Lee Favre, director of the museum.

"Cindy Agan, who is internationally published," she said, "will be teaching the watercolor workshop at the Dane G. Hansen Memorial Museum in Logan on Thursday, Friday, Saturday and Sunday, Aug. 12-15."

Among her accomplishments, Agan is the author of the North Light art instruction book titled *Painting Watercolors that Sparkle with Life*.

She has also filmed an art instruction video in England and both her book and the video have been published worldwide.

"Cindy was also a recent guest on the award winning television show

Cindy Agan, a watercolor and portrait artist, will be teaching a workshop in August at the Hansen Museum in Logan. Among her many paintings, Agan said she has a passion for cats, antiques, floral scenes and portraits. More of her art can be seen on her website: <http://www.cindyaganart.com>

"Artist to Artist" in Chicago, Ill. where an extensive interview was

conducted by the host, Enid Silverman," Lavre said. Her paintings

have been displayed at many juried shows, international and gallery exhibitions, one-woman shows and can be found in private and corporate collections.

In addition to selling her original watercolor paintings, greeting cards and thirty-nine self-published limited edition prints, Agan accepts portrait and house commissions, and travels doing art festivals and teaching workshops.

As for her background, Favre said she was born in 1957, and raised in the midwest.

"Cindy knew from a very young age that she wanted to become an artist, in fact, after that first box of crayons and coloring book, nothing felt more natural," Favre said about Agan's childhood.

"This love of art was nurtured and encouraged by her family."

In 1980, after years of practice,

Agan began her career painting professional portraits in pastel and pencil. She is self-taught, having taken only one beginning watercolor class in the fall of 1993.

Among her inspirations for her floral paintings is the English-style gardens surrounding her home. "Cindy paints daily in her home studio in South Bend, Ind., where she resides with her husband Rich, and cats, Rocky and Rascal. They have sons, Eric, Bob and the late Brad.

Donations wanted for program

The Thomas County Health Department is asking for help to fund its footcare program.

"We are starting a donation fund to purchase a stack washer and dryer (as our space is limited) to wash our towels needed for our footcare program," said officials at the health department.

"As of now, we are taking these to the laundromat which takes time and money."

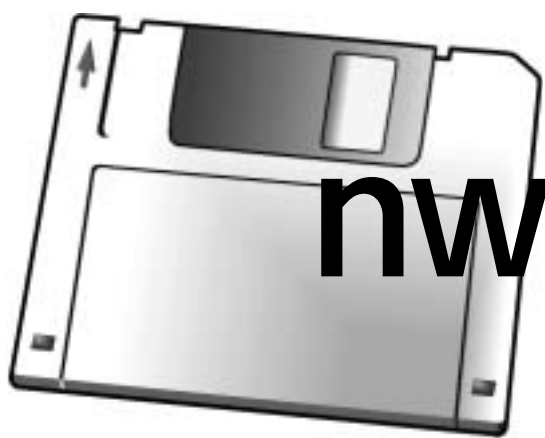

With our own facilities, we will save taxpayer dollars and launder them here at the health department.

What is our footcare program?

For a very minimal fee, anyone with feet problems (thick nails, inadequate vision, etc.) can get their feet soaked, nails trimmed and filed, foot massaged and the whole foot is monitored for any problems with referrals.

For those wanting to make a donation (which is tax deductible), mail or bring in your donation to Thomas County Health Department, 350 S. Range, Colby, Kan. 67701.

"This is a very worthwhile program that is a needed service in our community," officials said.
