Thomas County residents got the chance to find out what their extension office does, thanks to an open house on Thursday and Friday. Extension agent Joe Leibbrandt said they had a "decent" crowd for the two-day event that was filled with demonstrations and other events.

He said the main purpose was to introduce the staff, let people know about the services they provide and showcase the 100th anniversary of 4-H in Kansas, along with promoting extension.

Changes at the office this year include the return of ag agent Doug Musick who returned from his National Guard assignment in the Middle East, the addition of family and consumer sciences agent Diann Gerstner and the fact Leibbrandt is staying on for two more years.
