Summer reading activities scheduled

Another summer of fun has been planned for youngsters at Pioneer Memorial Library. The 2006 Summer Reading Program, "Paws, Claws, Scales and Tales," is open to children, preschool age through eighth grade, to encourage reading for pleasure during the summer and to retain their reading skills.

The program is divided in to three distinct offerings: Weekly Storytimes, Special Events and Paws2Read, a reading challenge game.

"We believe that the flexibility of our offerings will meet the busy schedules of youngsters and their families," said Judy Kleinsorge, children's librarian.

Weekly storytimes will begin meeting on Tuesday and run through July. "Fins, Feathers and Furballs" for preschoolers (ages 3-5 years) will meet on Tuesdays

from 10:15 to 10:45 a.m. and for toddlers (ages 18 months-3 years) will meet on Wednesdays from 10:15 to 10:35 a.m.

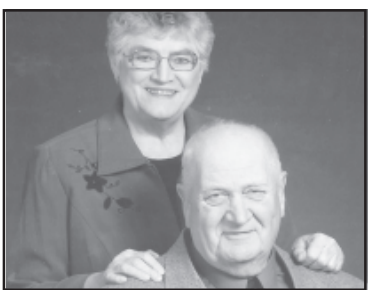

Youngsters who will be in grades first through fifth next fall are invited to come to the library two times each week. "Cool Cats" will meet on Tuesday afternoons and "Leapin' Lizards" will meet on Wednesday afternoons. Both sessions meet from 3:15 to 4 p.m.

"Petpourri" for those entering sixth through eighth grades next fall will meet on Thursday afternoons from 3:15 to 4:15 p.m. Prize drawings will be held at the end of the summer in each of the sessions. Sign-up is not required and children re encouraged to come when and as often as they can.

Summer season setting in at Winona

All the graduations are over, and the way the heat has kicked in, guess summer time is here. Had close to one inch of rain on May 21 and 22, which was badly needed. It has been so dry and hot the wheat and dry land corn is not doing well at this point.

On May 25 at the center Evelyn (Hoyt) Ward spoke on the "Range War Era 1902-1905." and Ray Imhof and Doris (Imhof) Johnson talked on a book "As I Remember It, A Memoir" told by their mother, Esther Imhof, and compiled by Ray and Doris. We also had 13 quilts on display from some of our local ladies. Cookies, lemonade, iced tea were refreshments. It was a very enjoyable and informative afternoon. A total of 36 stopped in for the

Jance McKee placed fourth in State 1A at the golf tournament in Winfield, two strokes behind first place. Wonderful job Jance.

Cliff and Paula Fox went fishing the week of May 22 at Sheridan Lake, and were very lucky in their catches. Sure they'll be enjoying fish for awhile.

Bob Baird of Goodland, former Brewster resident passed away, Sunday, May 28 at his home. He had been ill for some time.

Had a wonderful rain Tuesday morning, May 30. Was nice to wake up to the sound of thunder and rain. Guess we received about 1 1/4 inches this morning, hoping for more. It could rain all day and make a lot of people happy.

The Brewster Community Development Corp. did some cleaning and repairs around Brewster on Saturday, May 27. There were 30 men and women doing the work. Things look much nicer around town. Thanks for all your help.

Don't forget the City-Wide Garage Sale, Saturday June 3, 8:30 a.m. — ???

Don't forget to give me your news. If I don't know about it I can't write it.

Lorie and Kent Moore, Spencer and Colt from Garden City came to help Duane and Judy Headley paint up and fix up the house on May 19 and 20. Duane and Judy Headley had a very busy time last week. It started with the funeral of Judy's Aunt in Missouri on Tuesday. They

hurried home knowing they had a busy week anyhow. Upon checking phone messages they had word Duane's cousin from Russell Springs had passed away and the funeral would be Thursday. Friday family started coming in for a Headley family reunion. Jina Headley and his son Sam and Friend Dorothy Brown came for Hanmilton, Texas to spend a few hours. Orral Headley from Center, Texas came that afternoon to spend a few days. The reunion was very well attended by many of the descendants of June and Wes Headley. Lots of visiting and renewing family friendships. God is so good.
