## Hints from Heloise

### Keeping Moths at Bay

Dear Readers: Did you know that MOTHS can still damage clothing when it is stored? Our friends at the International Fabricare Institute suggest the following to keep moths from damaging your clothing:

- Have garments professionally cleaned and treated with moth-proofing solutions before storage.

- If home-washing, tumble dry at temperatures above 120 degrees F (if OK for the fabric — Heloise) to kill larvae.

- Freeze garments in individual self-sealing storage bags at 0 degrees F for 48 to 72 hours before storing to kill larvae. (I love this one! — Heloise)

- Use cedar, eucalyptus or lavender products to keep moths away.

- Periodically vacuum floors and clean baseboards and walls in storage closets.

— Heloise

P.S.: If using a natural repellent like lavender, cedar or eucalyptus, remember to be careful that the garments don't touch the sachet, etc. Also, these are repellents — they do not KILL moths.

### Loaning books

Dear Heloise: The best hint I've found for getting books back came from my daughters' seventh-grade teacher. As you can imagine, keeping track of books loaned to students is difficult. To make it easier to recognize hers, she took a permanent marker and, holding the book firmly closed, wrote her last name on the side of the book. This method

# Center closed for training

By Emma Rogers

Senior Center

Wednesday, Senior Progress Center, 165 Fike Park, will be closed for the cooks to go to training.

There are plenty of activities scheduled at the center for the week of May 21-25, including Popcorn Day on Monday. Tuesday exercise is at 10 a.m. and bingo is at 11 a.m. The center will be closed Wednesday.

Exercise is at 10 a.m. Thursday. Friday exercise is at 10 a.m.; please wear service attire, and it's also Red Day in honor of our troops.

The Thomas County Public Van is owned by the county but is scheduled and dispatched by the Senior Progress Center. The van is not a taxi service. It will be scheduled on a first-come, first-served basis.

It must be scheduled at least 24 hours in advance of its use and be ready at least 30 minutes in advance of appointment. Sometimes there are four to six calls per time frame.

Calls for the van need to be made between the hours of 8 a.m. and noon, Monday through Friday.

To contact the public transportation van after 12:30 p.m., call (785) 443-9208.

bleeds the ink onto the page a little bit, but makes it very obvious to see, when the book is closed, to whom it belongs. Compared with a name "hidden" inside the front cover, even if the book is resting on a shelf across the room it is easy to see the name on the side. — Heidi Gile, via e-mail

### Photograph identification

Dear Heloise: I hope this tip might help your readers avoid a mistake I have made. Upon receipt of photographs from developers or friends, names and dates should be put on them immediately.

I am in my later senior years and am in the process of sorting a large box of photographs so others might enjoy them.

Unfortunately, I have no idea who some of the people and events are.

I know only one person who puts names and dates on photos as soon as she receives them. She travels a lot and has an album for each trip.

— Jewell in Texas

*It is best to label photos with a photopen, available from a photography supply store. You can't imagine how many letters we get from readers about ink having bled through to the front of photos. — Heloise*
