The Eagles, who are currently ranked 9th in the state matched up with the 5ALiberal Redskins for the second time this year.

The Redskins beat the Eagles in three games (13-25, 25-23, 27-29) back on Sept. 11 in Liberal, and their second encounter didn't go much better for the Eagles.

The Redskins needed only two games to beat the Lady Eagles Monday, as the Eagles were knocked for just the third time this year (14-25, 17-25).

"We had just gotten off the bus and the girls were not warmed up and ready to play," said Eagle head coach Lesley Wagoner. "We had too many unforced errors in this match.'

The Eagles were able to regroup after the loss to Liberal, and took

The Colby Lady Eagle volleyball down 5A Hays High in two games in and did a nice job leading the team (25-14, 25-19).

"We played better this match," said Wagoner. "The girls got warmed up and we were ready.'

Kiri Kendrick was the leading scorer/server with 15 points and Lissa Mazanec had 13 kills.

In their final match, Colby took on 3A#2 ranked Phillpsburg (16-2). The Panthers had lost only one match this year heading into Hays, but fell for the second time to Liberal earlier in the day.

Phillipsburg left Hays with a third loss after the Eagles came back for a three game victory (20-25, 25-20, 25-18).

The leading scorer/server was Leah Cox with 14 points. Taylor Young added 8 kills.

"The key to this game was the serving and blocking," said Wag-

in assists. Kirstie Strutt, Kendrick and Mazanec had some incredible digs from the back row. Our serve receive passing was probably the best it's been."

The Lady Eagles 2-1 showing in Hays moved their record to 20-3.

In addition to finishing up well in Hays, Colby also found out Monday they would host one of the eight substate sites in 4A Oct. 20.

Colby's sub-state will include Goodland, Ulysses, Hugoton, Lindsborg/Smoky Valley, Nickerson, Pratt and Russell.

The other seven sites in 4A announced by the Kansas High School Association were Chanute, Chapman, Lenexa-St. James Academy, Osawatomie, Rose Hill, Tonganoxie and Towanda-Circle.

A complete list of sub-state sites and pairings are listed above.
