"When he rode by, all the players got jacked," Louisville coach Steve Kragthorpe said.

None more than running back Victor Anderson.

The freshman ran for 176 yards and three long touchdowns, including a dazzling 56-yard burst in which he broke two tackles and spun around a defender, showcasing the kind of footwork that would have made Ali grin.

"I just go out and run, I don't remember what happens," Anderson said.

his breakout performance, but Kansas State (2-1) certainly will. The Wildcats had hoped to add a little polish to their nonconference resume and prove they've turned a corner under third-year coach Ron Prince.

"We had our moments at times Maybe Louisville should have where we showed that we could do some things in all three phases but we couldn't put enough consistent plays together," Prince said.

The Wildcats had hoped to use coming to life after an appearance the game as a springboard to respectability heading into Big 12 play. Instead questions remain Ali, back in his hometown to about just how far the program has come under Prince.

It hasn't been the easiest two years for Kragthorpe. The Cardinals limped to a 6-6 finish last season, and an ugly loss to rival Kentucky to start this season left fans wondering if he was the right choice to replace Bobby Petrino.

But if the Cardinals can find a way to build on their most complete performance under Kragthorpe, better days lie ahead.

"We're starting to turn the corner, but we haven't turned it yet," he said. "We're not satisfied."

He shouldn't be after Louisville allowed Kansas State to stick around despite being outplayed on both sides of the ball.

Quarterback Hunter Cantwell Anderson might not remember threw for 274 yards and two touchdowns and Doug Beaumont had nine catches for 119 yards as Louisville racked up 577 yards of total offense.

Cantwell hit Troy Pascley for a 13-yard score to give Louisville a 20-7 lead early in the third quarter. Murphy's twisting punt return he ran backwards 10 yards and avoided a handful of tackles before racing up the field for the While Anderson darted and score - kept Kansas State in it,

"Brock comes in and wears them down and Bilal and I come out and just run around them," Anderson said. "Brock kept pounding it and the offensive line kept blocking, so we just kept running it."

Louisville played without starting left tackle George Bussey and left guard Mark Wetter, both out with injuries. Replacements Greg Tomczyk and Josh Byrom, however, filled in capably as Louisville's dominant line play helped offset 313 yards and three touchdowns by Kansas State quarterback Josh Freeman.

We need to do better. I need to coach better and I need to make our team understand how these teams need to be played," Prince said. "I'm not happy about it."

Deon Murphy had a spectacular 86-yard punt return for the Wildcats, but Kansas State turned the ball over three times and couldn't get Louisville's offense off the field.
