## Career growth predicted by planets

0

Aries: Due to planetary transit, this will be a helpful week. There is a chance for career growth or promotion through your performance. Grab the object of your desire. You may get social recognition. You will gain over enemies and make new friends, especially from the opposite sex.

Taurus: There is no unexpected or major trouble. Your health will remain good and your mood happy. Financially, expect gains in your ventures. You may be able to recover money during this period.

Gemini: Be careful, as the planets may produce troubles for career and finances. This period may not bring good news, as the moon brings troubled times. There are obstacles in your life, including peril and untoward happenings.

**Cancer:** It will be a hectic week for your career, income and family. You may find difficulty in recovering your dues and closing deals. Maintain a cordial relationship with your employer.

Leo: If you are in the service, you might have disputes with your superiors. Avoid fear and anxiety. Make an effort not to compromise your eating habits. Also avoid overexerting yourself.

Virgo: The transiting planets will bring fulfillment of desires, achievement of goals and attainment of material gains. This is the time to start something new. You and your family will be happy.

Libra: Your respect in society will rise. Women, avoid any conception-related problems. However, your health will generally remain fine. You could taste some of the finest culinary delights.

Scorpio: The planets indicate financial gains. If you are in agriculture, you may see more produce than usual. On the personal front, this period brings you joy with people of the opposite sex. Family reunions are also likely.

Sagittarius: This week is going to be what you expect. You will be relaxed and comfortable. Those

who are married will be happy. You may find a perfect match. This week brings delicious food and comfort at home. Health will be fine.

Capricorn: Your finances will go through a rough period. Expenses may increase. Endeavors may not get the desired result. Your health may need attention. Eyes are susceptible to infections. Aquarius: Physical comforts, clothes, perfumes and worldly things will come to you easily. Enjoy friendships with women. There will be improvement in your relationship with your spouse.

Pisces: Carefully guard against acting out of frustration, as this may backfire. Obstacles at work are temporary. Avoid working too hard. Physically, you may feel down and your eyes may create problems. Mentally, you may be less content than usual. You may not enjoy food.
