It's a good week for business

Aries: It might be a favorable week for those born under the Aries sign. If you are working or in the service, you might gain seniors' favor. There are no major or unexpected problems in your professional life. You might enter into profitable deals, but avoid speculation.

Taurus: During this time, you will be more comfortable and relaxed than ever. Pay attention to your career. Your company or boss is considering giving a boost to your reputation and income.

Gemini: Chances of going out of the city or country on business trips will be very high. You might meet an unusual person who will be helpful to your career. If you are experienced in speculation, you will make money. The domestic atmosphere will be peaceful.

Cancer: The beginning of the week will be complicated and you might have ill health and a doctor's visit. Take precautions with your health with diet and exercise. Students facing tests must be ready to give 100 percent.

Leo: There will be very cordial relationship between you and your spouse, with both sharing inner feelings. There are chances of going on a holiday trip. Independent businesses will have a highly profitable week. Sudden and unexpected windfalls may boost your financial position. Loan applications may be approved.
