

The fast track dominates week

Aries (March 21 – April 20)
You need time to yourself to work out the dilemma you are facing, but responsibilities keep you from it. Your life is on the fast track, and the tempo will only become faster. Being patient will help a lot. Chances of buying property are low, but you may spend on home decoration and repairs.

Taurus (April 21 – May 21)
Work hard this week. Show appreciation towards friends. Money represents power and freedom. Move away from old ideas, making room for new ones. Complete chores and errands. Understand love. Don't be passive. Your inner feelings are finer and higher. Make appointments well in advance, as planning is essential. Business and travel go well.

Gemini (May 22 – June 21)
You can learn from a friend. Crazy ideas may turn out to be quite good. You have little patience for changes in plans. Slow down so you don't make mistakes. Do what is required this week, so you are free to do what you want later.

Cancer (June 22 – July 22)
Your work will be appreciated. Work and physical activity will help deal with stress. Decide what you want in life. You and your partner can consider a deeper commitment. You feel overworked, but will be happy with the results.

Leo (July 23 – Aug. 22)
You hesitate over a major commitment, but should be careful not to get into a rut. You may have confrontations with colleagues or friends. You are getting frustrated with trying to change yourself. Work on building a secure future. Marriage stays in the spotlight.

Virgo (Aug. 23 – Sept. 23)
Expand your horizons. You will be

Shannon O'Brien

• Weekly Horoscope

busy and focused, feeling satisfied with your work. You need reassurance in love. Think about happy things. Do not keep trying something new all the time. Do not grow apart from your partner.

Libra (Sept. 24 – Oct. 23)
Good conversation will put things in perspective. Don't worry, you are on the right track. Find new ways to enjoy yourself. There will be significant change in career and love. Be disciplined and shoulder responsibilities. Social activities will help make good connections.

Scorpio (Oct. 24 – Nov. 22)
Varied experiences are important. You will have a good deal of communication and feel a sense of purpose. Start a new undertaking this week. You'll find peace spending time with your family. Your plans to buy property might be fulfilled. You have very good chances for an important job interview.

Sagittarius (Nov. 23 – Dec. 21)
Apply rational skills and use spirituality. You feel strong. You have to put in a great deal of effort on your plans. You are in the mood to explore your mind, though it won't be conducive for the positive momentum in your life now.

Capricorn (Dec. 22 – Jan. 20)
Change your thinking to see things in a different perspective. A project that was hard to start will progress. Seek inner harmony and express your emotions clearly. You need a bit of pampering,

and will feel more energetic. You get support from your spouse. Children may bring prosperity.

Aquarius (Jan. 21 – Feb. 19)
You are in a dreamy mood, though it's easier to deal with reality. Cleaning up will affect how you feel.

Don't count on people you have been relying on. Take care of your health. You are harsh on yourself for no reason. It's hard to keep a secret.

Pisces (Feb. 20 – March 20)
Your problems will easily resolve if you are flexible. Steer clear of the usual difficulty. Friends are most helpful. Your future looks up. Make career choices before deciding on an opportunity. You have a tendency to blame others that works against you. An exciting new relationship begins.
