

Welcome back to Colby

KEVIN BOTTRELL/Colby Free Press

This display of old photos will greet alumni as they enter the High Flying Eagles display in the temporary exhibit room at the Prairie Museum of Art and History. A computer stands nearby with a slideshow of more old photos and the school fight song.

Reunion

Decades of Colby alumni will gather this Father's Day weekend for the All School Reunion, Thursday to Saturday, June 17, 18 and 19.

The reunion committee has many events planned, from tours and basketball tournaments to concerts and dances. Almost 1,000 alumni have registered already, said Jada Tubbs, one of the organizers, and the committee is expecting 200-300 more on Thursday.

New this year will be the "Flight of the Eagles" book, a history of athletics since the beginning of organized sports in Colby High School. Eagle alumnus Gary Adrian and others spent hundreds of hours researching and formatting the book. Copies cost \$25 and can be purchased at the reunion. Because of the amount of interest and increasing price of paper, the price will be going up to \$30 after the reunion.

The Eagle Tour bicycle fun ride and race will take riders across the county. Riders will assemble at Fike Park at 7:45 a.m. Saturday. Fun riders will go about 20 miles either east to Gem or west to Levant on U.S. 24, depending on the weather.

Racers will go farther, about 40 miles, to Menlo or Cumberland in the east or Brewster in the west. The racers will use county roads along with U.S. 24.

Participants must be at least 15 years old, have their own bicycle in working order, a filled water bottle attached to the bike and a

Welcome Colby High for the 2010 Alumni Reunion!
