John Ireton, a special investigator for Farm Bureau Insurance from Salina, tried to reconstruct the scene at the house in Levant. No one was at home at the time of the fire. Ireton said he couldn't say how long the investigation would take.

tations are made in front of both classes.

· Katherine Kaus, Paige Roopchan, Katrina Kaus, Kayla Hockersmith and Morgan Bell presented some of their Spanish projects. The class took the Spanish Three Kings Day, celebrated on Jan. 6, and put together decorative projects detailing the holiday traditions.

• Brian Staats of Adams, Brown, Beran and Ball presented

the 2008-2009 audit. Staats said the audit found no violations and there was actually an increase in for the Great Western Athletics unencumbered cash. Staats said the district does not currently have excessive debt.

"From what I'm seeing, the district is taking appropriate actions," he said.

Staats recommended closing any student activity funds that haven't had any activity. Those funds might be for activities that are no longer put on by the school, he said.

• Activities Director Larry Gabel said the work on a constitution Conference is mostly finished. There has been a lot of work done on scheduling and the document is at a place where the district can accept it, he said. It is not final, but it is a good guide for next years' sports seasons.

• The board approved Feb. 26 as Adequate Yearly Progress Incentive Day. Since the district met all of the progress goals for the year, school will be cancelled that day.

Norton, Lenora to combine districts

"K-12 education in Kansas is 52 percent of the state General Fund budget. If realized, our base aid per pupil would go from \$4,012 to \$3,723 per pupil. It was \$3,600 per pupil in 1992."

Due to the agreement with Lenora, though, the combined Norton budget will not be affected.

We will know the USD 211 budget for the next three years will be no less than is the 211 and 213 budget at the end of the 2009-10 school year," Mann said.

Many issues have yet to be resolved, Mann said, such as disposition of property, debts and liabilities, board member elections, staff, contracts for services and scholarships. Two members from each board will meet to discuss the issues and will present information to each board, he said.

He hopes to have everything set by July 1.

"The two boards of education have a plan in place to discuss issues related to disorganization of USD 213 and attachment to USD 211," Mann said.

Lenora Superintendent Gary Baxter did not return calls for comment.

Investigators rule Levant fire was arson

Assistant Fire Chief Sean Hankin, who was in charge at the scene, said the fire was mostly out within two hours. The firefighters found flames in both the kitchen and the ceiling between the kitchen and the attic. Bedding and furniture in a nearby bedroom had begun to burn.

Rob Uldrige and Chris Smith, investigators with the state Fire call that someone had gone into Marshal's office, came to investigate the scene Friday along with Colby Fire Chief Bob McLemore and Thomas County Sheriff Rod Taylor. Friday, McLemore said the fire was "most likely of suspicious origin."

A spokesperson for the fire ance company team.

marshal's office said Monday that investigators had officially determined that the fire was incendiary, meaning it was set deliberately, and that the crime of arson was involved.

The sheriff's department has been providing security at the scene. A deputy was sent to the house just after midnight Thursday morning. Then, at 10:30 p.m. that night, the department got a the house despite "no trespassing" signs posted that day. Deputy Brent Mariman went to check but reported no sign of anyone.

Dale Deaver, who has owned the house for 25 years, was at the house this morning with the insur-
