

Musical review in Oakley revisits Route 66 Sunday

The popular songs of the late 1950s and '60s will be recreated in a musical review by the quartet "Route 66" at 3 p.m. Sunday at the Oakley High School Auditorium. A fabled highway, U.S. 66 started in Chicago and ended at the beach city of Santa Monica, Calif. Before the Interstate system, people driving cross-country were routed through small-town business districts and the heart of our cities. In Kansas, 12.8 miles of Route 66 passed through the southeast towns of Galena, River-ton and Baxter Springs. The audience will experience an on-the-road mood as backstage disc jockeys promote recordings and pitch products through an oversize car radio on stage while the four vocalists do popular songs of the era. Admission is by Western Plains Arts Association season ticket or at the door, \$15 for adults and \$8 for students.

The quartet "Route 66" on their stage set for the program which will be brought to Oakley Sunday.
