

National American Red Cross Month

March is national Red Cross Month; a time to thank those supporters whose generosity helps Red Cross continue serving those in need.

Red Cross is a global network and its impact reaches far beyond America's borders. The Red Cross responded to the Haiti earthquake in January, working to turn despair into hope. They also answered the call to help those devastated by the earthquake that shook Chile last month. The Red Cross is present around the world - and they are also here each day across the country for families in need.

Northwest Kansas Red Cross, based in Colby, serves eight counties; Cheyenne, Rawlins, Sherman, Thomas, Sheridan, Wallace, Logan and Gove. In the past year they responded to

eight local emergencies, assisted three military families, presented the Scrubby Bear program to 187 school children and presented the "Did you

Know?" campaign to 310 high school students. They also conducted 161 health and safety classes like first aid, CPR, lifeguard, and swim classes that trained a total of 1,217 people in life-saving skills. People from this area donated 2,897 units of blood.

Finally, Red Cross Month is a great time for people to get involved with the Red Cross, such as donating blood; signing up for a CPR, first aid or another Red Cross course; giving a financial gift that can save the day when the next disaster strikes or getting involved as a volunteer.

The local Red Cross wants to thank everyone who has supported them this past year, whether it was done as a financial contribution, as a volunteer or as a blood donation.

GIVE BLOOD. SHARE LIFE!

For more information on donating blood, please call 1-888-719-8929 or in the Wichita area, 268-0834
