## Thank You!

I would like to thank the women who are responsible for the beautiful pink lap robe that was hand delivered to my door after I got home from the Hays Hospital. Maurice answered the door and didn't get a name. It is a wonderful thoughtful gift and I greatly appreciate it. I go next week for another PET SCAN to see the status of the cancer. Hopefully it is in remission or at least still confined to the hip area. If someone would call I would like to thank you all for such a nice gift.
