Aries (March 21 – April 20) A professional situation that has been going from strength to strength goes into crisis mode, or so it seems. Pressure on career will build as the week progresses. This gets work/life issues on the table and creates the potential for a major breakthrough.

Taurus (April 21 – May 21) The busier things are the more you like it, with any problems coming from frustration or boredom. Pressure forces you to think on your feet, challenge your excuses and come up with creative solutions. A lunar eclipse floods your chart with wanderlust, moving you out

Gemini (May 22 – June 21) Tie up loose ends and put the finishing touches on your game plan for the coming year. Your income sector has a standoff with your financial sector Saturday, creating the potential for significant change.

Cancer (June 22 - July 22) Your new solar year begins with confidence, for your heart has a strong sense of the future. You're a lot smarter and more articulate. Things on the relationship front challenge you to raise the bar.

Leo (July 23 – Aug. 22) You'd rather cruise in life's slow lane, with plenty of time to reflect and navel gaze. Yet there's no rest, with the pace and intensity of things at work accelerating. Instead of taking things easy you're busier than ever, getting things moving.

Agriculture markets are sometimes described as a Associates board and the Farm Foundation board. wild ride, and the theme for Kansas State Univer- He has served on the Kansas Board of Agriculture sity's 2010 Risk and Profit Conference and Trade and the board of the Kansas State Fair. Show this year reflects that.

"A Walk on the Wild Side: Mercurial Markets, Policy Perplexity, and Management Migraines" is set for Thursday and Friday, Aug. 19-20, at the K-State Alumni Center in Manhattan.

Keynote speakers include Sara Wyant, president of Agri-Pulse Communications, and Jay Armstrong, a fourth-generation farmer in Atchison.

Wyant, a veteran farm policy reporter, produces the Agri-Pulse newsletter and website that update farmers, ranchers and other agribusiness professionals on the latest issues in farm policy, commodities, conservation, trade, food safety, rural development, the environment and regulations.

In addition to farming, Armstrong is president of Armstrong Global, an importing and equipmentleasing company near Muscotah. He currently serves on the Kansas Wheat Commission, the U.S. Wheat

K-State agricultural economists Glynn Tonsor and

Dan O'Brien will provide livestock and grain outlooks. Participants will be able to choose from 24 breakout sessions on topics ranging from "Projecting the Supply" and "Use of Distillers Grains" to "Inflation, Interest Rates, Deficits and You." A complete list of presentations plus registration information is available on the Web at www.agman-

ager.info/events/risk_profit/2010. The early registration fee of \$210 is due by Aug. 13. Additional attendees from the same business are \$190. The fee after Aug. 13 will be \$230.

This includes all sessions, four meals (two lunches. one dinner and one breakfast), the conference proceedings on disk and parking. Information is available by contacting Rich Llewelyn at (785) 532-1504 or rvl@ksu.edu.
