To the Citizens of Graham, Sheridan, Sherman & Thomas Counties,

On Tuesday, August 3, you have an opportunity to make sure Northwest Kansas has true conservative leadership in the Kansas House of Representatives by re-electing Rep. Jim Morrison in the District 121 Republican primary election.

This letter is not initiated by Rep. Morrison – rather, we're his Republican colleagues in the Legislature who wish him well as he faces surgery soon. We believe his re-election in the primary on Aug. 3 would surely be good medicine for him.

Though Rep. Morrison may not be able to contact each of you personally this campaign, we want you to know that <u>his continued leadership is needed in the Legislature</u>.

Rep. Jim Morrison has been fighting to protect your hard-earned tax dollars, property and jobs in his outstanding service in the Legislature. Rep. Morrison voted against the \$1.5 billion tax increase passed in the Legislature this year.

Rep. Morrison advocates fiscal responsibility, family and pro-life values, and policies that encourage job growth and personal freedoms. You will again be well served by re-electing Rep. Jim Morrison in the Aug. 3 Republican primary.

In the 2010 session, Rep. Morrison was Chairman of the Government Efficiency and Fiscal Oversight Committee – and we need him to continue his leadership in that role. Kansas again faces unprecedented budget challenges, and Rep. Morrison's experience, knowledge and prudent leadership are the best way to assure Kansans of a state government that works for them and respects each and every tax dollar.

We appreciate your support of Rep. Morrison and hope that your vote ensures his return to his important work for your community and the state of Kansas.

Respectfully,
