Healthy Joints For an Active Lifestyle

Healthy joints are key to an active, independent lifestyle. Whether you're faced with challenges in your upper or lower extremities, Hays Med offers the care you need to get moving again.

Hand Care Center

The simplest of tasks, such as writing, waving and driving, require one of the most complex parts of the body: the hand and arm. For those dealing with problems of the hand, wrist, arm or shoulder, these and other everyday tasks can be challenging or maybe even impossible.

The Hand Care Center, part of the Hays Orthopedic Institute at Hays Med, is the region's resource for dealing with injuries and conditions that affect the hand and

upper extremity. Led by Medical Director Robert L. Bassett, M.D., the center is well versed in the complexities of the joints, bones and muscles of the fingers, hand, wrist, arm, elbow and shoulder.

For more information, call (785) 628-8221 or (866) 428-8221.

Joint Care Center

For those facing total joint replacement, turn to the Joint Care Center at Hays Med, where the focus is on getting you back on your feet

and enjoying a better lifestyle as quickly as possible.

Key to the center's success is the collaborative, supportive environment. Your physician will be integral to all areas of treatment and decision-making. In addition, patients work together, providing crucial support to one another during rehabilitation. And it all takes place under one roof in a state-of-the-art facility that provides private rooms to all patients.

For more information, call (785) 628-8221 or (866) 428-8221.

WHERE CAN YOU FIND THE TOP MEDICAL SPECIALISTS?

Hays Medical Center is partnering with your community to bring you easy access to advanced medicine. Every month. So treat your knees, back, heart and more to exceptional care. From very smart specialists in your own neighborhood.
